# Pride of Preuss

## PRIDE OF PREUSS

"The Pride of Preuss" is an extraordinary initiative that spotlights the exceptional achievements of eight senior scholars. These scholars have served as remarkable ambassadors, not only for their school but also as advocates for higher education and the values of a substance-free lifestyle.

These eight scholars have ventured beyond their school, visiting multiple elementary's to share their inspiring stories representing Preuss pride. Through their compelling narratives and accomplishments, they serve as living examples of the transformative power of education at Preuss.

"The Pride of Preuss" program, in its dedication to showcasing these scholars, plays a pivotal role in influencing future students. They demonstrate that through hard work, dedication, and the pursuit of knowledge, one can achieve remarkable success while staying true to a healthy and responsible way of life.
