

2014 Federal Guidelines for Income Eligibility

Persons in Household	Maximum Household Income
1	\$21,590
2	\$29,111
3	\$36,612
4	\$44,123
5	\$51,634
6	\$59,145
7	\$66,656
8	\$74,167

For families/households with more than 8 persons, add \$4,060 for each additional person. Income is defined as before any deductions such as income taxes, insurance premiums, charitable contributions, and bonds. Maximum household income is based on the 185% federal poverty guideline.
