

2017 Federal Guidelines for Income Eligibility

# of People in Household	Maximum Household Income
1	\$22,311
2	\$30,044
3	\$37,777
4	\$45,510
5	\$53,243
6	\$60,976
7	\$68,709
8	\$76,442

Families/households with more than 8 persons, add \$7,733 for each additional person.

Income is defined as before any deductions such as income taxes, insurance premiums, charitable contributions, and bonds. Maximum household income is based on the 185% federal poverty guideline.
