If a student-athletes GPA for either scholarship and citizenship fall below the CIF required 2.0, they will not be eligible for participation, however student-athlete will still be able to practice during the Athletic Block. This will be in effect until the next semester grade report where the student's progress will be reassessed and they must maintain at least a 2.25 GPA or above to participate in athletics. Should their grades fall below this, it will be up to their coach whether the player will be permitted to practice or play in the games.

It is necessary that the parents specifically authorize that their child be included in these activities. The school will furnish supervision for this event, but parents should understand that supervision will end either at the end of each contest or when the student is returned back to Preuss.
