April is National Poetry Month! What choices do you make in your life? See how African American poet Nikki Giovanni answers this question for today, April 6, 2017.

CHOICES by Nikki Giovanni

1. If i can't do
what i want to do
then my job is to not
do what i don't want
to do
2. It's not the same thing
but it's the best i can do
3. If I can't have
what i want...then
my job is to want
what i've got
and be satisfied
that least there
is something more to want
4. Since i can't go
where i need to
to go...then i must...go
where the signs point
through always understanding
parallel movement
isn't lateral
5. When i can't express
what i really feel
i practice feeling
what I can express
and none of it is equal
6. I know
but that's why mankind
alone among the animals
learns to cry
