Gardening Club Plant Sale: "Let's aim for a double whammy this holiday shopping season. Gardening Club will be holding a plant sale on Friday, December 9, from 4:00-5:15 p.m., and Saturday, December 10, from 9:00 a.m.-12:00 noon. Please come by and purchase plants to support the club, and maybe even buy presents for that special someone in your life. For more details on what plants will be sold, and what prices will be, please talk to the gardening club officers: Kathy Doan ('17), Omar Garcia ('17), Thao Phan ('17), Leilani Turla ('17), and Jonathan Aventura ('19)." The plant sales are the only source of fund-raising we do for the many ongoing projects that we are involved in. Please plan on stopping by during the times stated above. If you are interested, but can't make it at the designated times, just let me know and we can arrange a time to meet in the garden area and look at the plants that are for purchase. Please pass this on to any plant lovers you know! **(12/10 Mr. Romer/Ms. Noorzay)**

Students: Page 11 and 12 of the Student Handbook clearly state that Flowers, Bouquets, Balloons, food for celebrations, junk food and candy, gifts and other non-school items should not be brought to school. We will continue to work to achieve the mission of The Preuss School UCSD by maintaining an academic environment throughout the entire school year. **–Mr. Selleck**

Llama Pins: ¡Oye, Oye! The Spanish Department is selling "Love a Llama" pins and llama pops in order to help a South American family in need. Our goal is to raise \$150 to buy a llama for one family by December 16th. Pins and a limited amount of llama pops are being sold in front of Walton Center during middle and high school lunches. So, why do we buy a llama? Llamas are prized for their warm wool, which can be made into blankets and clothing and sold at markets to buy things such as medicine and books. Llamas are the only animals that can withstand the harsh conditions of the Andes mountains and because they are soft footed animals, don't ruin the family's crops. All students, teachers and staff are invited to contribute to the gift that changes lives! **(12/16 Ms. Zamora)**
