Reminder Items:

Llama Pins: ¡Oye, Oye! The Spanish Department is selling "Love a Llama" pins and llama pops in order to help a South American family in need. Our goal is to raise \$150 to buy a llama for one family by December 16th. Pins and a limited amount of llama pops are being sold in front of Walton Center during middle and high school lunches. So, why do we buy a llama? Llamas are prized for their warm wool, which can be made into blankets and clothing and sold at markets to buy things such as medicine and books. Llamas are the only animals that can withstand the harsh conditions of the Andes mountains and because they are soft footed animals, don't ruin the family's crops. All students, teachers and staff are invited to contribute to the gift that changes lives! **(12/18 Ms. Zamora)**

High School Students: You all know they make artificial arms and legs, but did you know they are working on artificial parts for the eye? Come hear about the newly-invented Retinal Implants and other uses for electronics in the human body. Wednesday, November 30 from 1-2 pm in the library. Questions? See Mrs. Artz in C101. **(11/30 Mrs. Artz)**
