TRANSPORTING PERSONAL ITEMS AND SPORTS EQUIPMENT ON THE SCHOOL BUS

If students need to transport an item that is too large to take on the bus, students can use the cargo bays. Students need to get permission from the bus driver before accessing the cargo bays when they get on and off the bus. It is the students' responsibility to remember that they placed items in the cargo bay. Most of the cargo bays are not able to be secured and drivers cannot be held responsible for items that are left on the bus. **(9/9 Mrs. Villanueva)**
