**Chelsea's Light Peer Corps Inspirational Quote Of The Day: Work hard in silence, let your success be your noise. - Frank Ocean**

**SAT WORDS: digress /verb/ leave the main subject temporarily in speech or writing**

**New Items:**

**April is National Poetry Month. Today's poem for Thursday, April 20, 2017 is about friendship. Who is your best friend?**

**Till The End**

**You can't pick your friends but you can pick your nose,  
at least I think that's how the old saying goes.  
But I'll be with you through thick and through thin,  
'cause you are my friend till the end.**

**Seems like I've known you forever at times,  
We have been partners in many hilarious crimes.  
Never without you do I want to live.  
My life for yours I would readily give.**

**I hope that you feel the same way about me,  
and haven't just pretended to an adequate degree.  
"Here's looking at you, kid," as Bogart would say,  
my friendship is yours until my dying day.**
