ATTENTION STUDENTS!

We will be collecting the Z pass provided for those students receiving the transportation services. Card enforcement on school buses will be suspended during the last two weeks of school. You should not have any problem riding the bus without your ID bus pass. Please, read the following information and contact Mrs. Villanueva for any questions or concerns.

- ♦ **The San Diego Unified School District Transportation Department will continue enforcing the use of the Z Pass until June 9.**
- ♦ **Starting Monday, June 12, students must return the Z pass Cards to their School Advisory Teacher.**
- ♦ **We would like to have all the Z Pass Cards collected and returned to Transportation by June 16, 2017.**
- ♦ **Notify the school immediately if Card is lost or stolen.**
- ♦ **Next school year, SDUSD will continue using electronic ID Z passes for all bus riders.**
- ♦ **The school bus student ID Z Pass Card will be activated for next year. Students will get their Z pass ID when we come back to school in August.**
