All Students and Staff: May is Mental Health Matters Month. Chelsea's Light Peer Corps, Student Support Services, and the Fine Arts Department are helping to bring awareness to the reality of mental health issues by hosting **Kindness Rocks!** We will join in this national movement by painting inspiring messages on rocks during lunchtime. We hope to help reduce the stigma surrounding mental health, as well as spark conversations surrounding what mental wellness is and why it's vital to all of us. Please come and join us in T101 on Tuesday 5/16 or Thursday 5/18 for middle school lunch, or 5/16 through 5/18 during high school lunch. Space is limited, so we will need to cap the number of students to 20 at a time. See you there! **(5/18 Ms. Esquivel & Ms. Patrick)**

All Students and Staff: We all feel a little tense and stressed sometimes, so please come and join us each Tuesday for a brief Stretch and Breathe session during lunchtime. We will meet on the Walton Center Stage at 11:55 for middle school, or 12:30 for high school. See you there!
