CHANGES ON THE SCHOOL BUS SCHEDULE

In an effort to get the buses on time, transportation adjusted the school bus schedule. Starting September 11, the buses will operate on a different itinerary. Be aware that the transportation changes will have an impact on the morning pick up for students assigned to the routes A, B, C, D, E, and H. In addition, students from the bus O at Garfield stop were moved back to bus H.

Remember, all students must arrive at the bus stop 10 minutes prior to the designated pick-up time. Please, review the new schedule available in the bulletin located at the main office or the school website as we continue to make any effort to notify students of bus service changes. If you have any questions about transportation, please contact Patricia Villanueva. (9/15 Villanueva)

The 2nd Annual Preuss Town Hall Series begins this week. High school students will have the opportunity to meet candidates running for local elected offices beginning on Thursday, September 14th, from 4-5:15pm, in E202.

This week's candidate is Omar Passons, Democratic candidate for County Board of Supervisors, District 4.

The County Board of Supervisors has the power to affect your lives in areas such as local environment, mass transit, law enforcement, homelessness, and social services including healthcare and nutrition.

The 4th district includes a diverse group of San Diego neighborhoods including UC San Diego, La Jolla Village, Clairemont, Kearny Mesa, Mission Beach, Ocean Beach, Linda Vista, Downtown, Hillcrest, North Park, South Park, City Heights, and Southeast San Diego.

If you live in any of these neighborhoods, you have an opportunity to ask Mr. Passons questions about how we would improve life in your neighborhoods if he is elected to represent you. If you do not live in District 4 and are simply interested in the political process, you are also welcome to attend.

The limit is 36 students. Mr. Ramos will have a signup sheet beginning during high school lunch on Tuesday, September 12th. (9/14 Ramos)

Attention 9th, 10th, and 11th graders: Interested in learning what an Electrical Engineer actually does? Come find out at the UCSD Saturday Electrical Engineering Academy being held here at Preuss. Each 2-hour session will include hands-on activities and will be taught by UCSD Electrical Engineering students. All sessions will be on SEA dates and you can come to all or just a few, depending on your schedule. Registration is required. See your science teacher or Ms. Artz in C101 for more information. Hello high schoolers! If you would like to start a club or renew one, you must fill out a request form. All of your teachers have an emailed copy of the forms so you can get the form from your club advisor and turn it in to Mr. Carr. Be sure to get these in as soon as possible! (9/14 Carr)

UC/CSU Eligibility Policy:

The mission of The Preuss School is to prepare students for acceptance to a 4-year university. In order for seniors to take advantage of the school's mission, students from grades 8-11 need to be on track to be UC/CSU College eligible.

-In order to be on track towards college eligibility, students in grades 8-11 need to pass their Math, English, Science, and History classes with a C- or better.

-Students earning lower than a C- need to take advantage of Preuss' many academic supports to improve their academic performance.

-Students earning lower than a C- who DO NOT take advantage of Preuss' supports will have the opportunity to get back on track towards college eligibility by repeating an entire grade.
