Chelsea's Light Quote of the Day:
Only he who attempts the absurd is capable of achieving the impossible.
-Miguel de Unamuno

SAT WORDS: inane (adj.) silly and meaningless

Rho Kappa Social Studies Honor Society presents This Day in History:

On this day, a man named Thomas Jennings was charged guilty for murder with the first use of fingerprints as evidence by the Illinois Supreme Court. Jennings fled the scene but unknowingly left a fingerprint on a freshly painted fence. The court accepted fingerprints as sufficient evidence for a verdict of death and later on legitimized its use throughout the United States from then on. (1911)

Hello students, as many of you already know, we are so fortunate to be able to provide snacks for you as needed. This has been made possible through a partnership we have with the San Diego Food Bank. Each time you receive a snack you will need to fill out a google form that takes a few seconds to complete. The link to the google form is tinyurl.com/block8snacks. This google form allows us and San Diego Food Bank to continue providing these snacks for you in the future. If snacks are taken without the completion of the form and/or without permission we can lose this wonderful program. PLEASE, PLEASE, PLEASE see a teacher or me for snacks. If what we provide is not enough, you can definitely ask for more. DO NOT take the snacks without permission and without filling out the form. Thank you for your cooperation. Lastly, please be sure to keep our campus clean by throwing away your snack trash in a trashcan. (Torre 2/28)
