**Rho Kappa Social Studies Honor Society presents This Day in History:**

On this day, a fire started from a cigarette that led to an irrepressible inferno that engulfed a large part of Baltimore, Maryland for over 30 hours. Although it destroyed some 1,000 homes and caused about \$100 million in damage (about \$3.84 billion in today's standards), remarkably no lives were lost from the situation. The Great Baltimore Fire was deemed the most destructive fire in US history since the 1871 Chicago Fires. (1904)(Greco 2/7)

**Hello students**, as many of you already know, we are so fortunate to be able to provide snacks for you as needed. This has been made possible through a partnership we have with the San Diego Food Bank. Each time you receive a snack you will need to fill out a google form that takes a few seconds to complete. The link to the google form is [tinyurl.com/block8snacks](https://tinyurl.com/block8snacks). This google form allows us and San Diego Food Bank to continue providing these snacks for you in the future. If snacks are taken without the completion of the form and/or without permission we can lose this wonderful program. PLEASE, PLEASE, PLEASE see a teacher or me for snacks. If what we provide is not enough, you can definitely ask for more. DO NOT take the snacks without permission and without filling out the form. Thank you for your cooperation. Lastly, please be sure to keep our campus clean by throwing away your snack trash in a trashcan. (Torre 2/28)

**Attention:** This is a friendly reminder that students are not allowed in the mailroom at any time.  
Thank you
