## A Message from the School Principal-Director

Dear Parents:

It is hard to believe that we are close to the end of another great year, and another group of Preuss students will be heading to colleges and universities throughout the world.

Preuss students have earned scholarships and recognition, while the entire school was named for the third year in a row, "The #1 Transformative School in the Nation".

The Washington Post listed Preuss #29 in the Nation and #3 in California as one of the Most Challenging High Schools in America. U.S. News & World Report's, Best High Schools, listed Preuss #30 in the Nation, #4 in California, #1 Locally, and the #7 Charter school in the Nation. These awards are earned by the Preuss students, parents, faculty, staff, mentors, tutors, and volunteers. The success of Preuss is earned by the work of the whole team with one single purpose, student achievement.

Since I last wrote you Preuss students again have earned scholarships, recognition, and awards. For the seventh year in a row, Preuss seniors have been named Gates Millennium Scholars, which pays for 100% of college education including graduate school. We have had 26 Gates scholars over the last seven years.

## Notes from the Vice Principal– Mr. Pete Selleck

Dear Parents,

It has been another great year at The Preuss School UCSD. Seniors are accepting admissions to the nation's finest colleges once again. Most are receiving outstanding financial aid. It has been a really difficult journey for them, but all the hard work has paid off. We have established a great school culture to promote success. It works because of the partnership between parents and school staff. Please reinforce the following to support the success of your child.

### Attendance

Student attendance is a critical piece of our success. Students do not benefit from the outstanding instruction if they are not here. The learning cannot be made up.

See page 2

## News from Mr. Barton Continued

In addition Preuss had 3 seniors awarded the Change of Life Scholarship, 1 LPL Financial Scholarship/ National Merit Scholarship, 4 scholarships from A Bridge for Kids, 2 Questbridge Scholars, 4 Patrick Ledden Scholars, 3 La Jolla Rotary Foundation Scholars, 16 MKC Scholars, 1 Susan Steelman Bragato Scholarship, 2 Carson Scholars, 1 San Diego County Citizen's Scholarship, 1 California Retired Teachers Association Scholarship, 1 MTS Laptop Scholarships, 18 UCSD Chancellors Associate Scholars, and 2 Jacob Hanna Scholarships. Additional scholarships will be announced at Senior Awards night on June 15<sup>th</sup>.

The Class of 2013 eagerly awaits graduation and beginning their new lives out in the world. As of May 1, eighteen seniors had submitted their intent to register at UC San Diego, 99% of the seniors have been accepted to a four-year college or university, 91% were accepted to at least one CSU, 67% were accepted to at least one UC, 90% were accepted to at least one private college or university or out-of-state public school. We could not be prouder of The Class of 2013!

The Parent Council organized a very successful Parent Dinner Dance and raised nearly \$3,500 for our transportation needs. I would like to thank parent Diane Villalvazo for the outstanding job she did coordinating the event. Also thank you to the Puente family for donating and cooking the entire meal, which consisted of salad, chicken parmesan or lasagna and dessert. Thanks to parent Javier Morales for bringing his DJ expertise to the evening. Thanks to all of the parents who helped organize the event, those who set up and cleaned up and to all of you who support the event by donating money and attended the event.

Transportation donations have been collected throughout the school year. Parents have contributed weekly, monthly, and in one full amount. Transportation donations will be collected next year also. Donations make buses for all students possible. Without donations busing may be cancelled. Please submit your donations to the front office.

The month of May is very important for The Preuss School. Our high school students have taken their Advanced Placement (AP) Exams. All students, except seniors, will be taking Standard Tests from May 22 through May 31. These tests are extremely important for our school and I encourage you to speak with your son/daughter about taking these tests very seriously. It is also important that students are not absent or tardy during tests dates and they get a good nights sleep and eat a healthy breakfast. Parent support will continue to assist our students in preparing them to be at the top of their game. Thank you for your support.

The month of June is very active beginning Senior Exhibits, Wednesday, June 5 & 6, and the Spring Learning Showcase is June 12. All 6<sup>th</sup>, 7<sup>th</sup>, 9<sup>th</sup>, 10<sup>th</sup>, and 11<sup>th</sup> graders and their parents are expected to attend the Spring Learning Showcase which begins at 7:00 p.m. with PTA dinner at 6:00 p.m. Parents should check with their students for the dates of all the activities. The monthly events calendar will be sent home early in June with a complete list of activities. Or take a moment to review the daily bulletin and the monthly calendar on The Preuss School website <http://preuss.ucsd.edu/>.

The Preuss School Charter is up for renewal this year, and must be approved by the San Diego Unified School District Board. The SDUSD Board will meeting to vote on passage of the Preuss School Charter on Tuesday, June 4, 2013 at 5:00 p.m. at the SDUSD District office at 4100 Normal Street. We encourage everyone to attend this very important board meeting to show support for The Preuss School charter renewal.

## MORE NEWS FROM MR. BARTON...

Summer will be here before we know it and students will be ready to finalize their school year to start their summer vacation. It is important however, that your students work hard until the last day of school, and with your support we can keep them on task.

Have a wonderful, safe and restful summer! We look forward to seeing all students back at school on August 19<sup>th</sup>. Remember, all students must return on August 19<sup>th</sup>, please plan your vacations so that students do not miss any school. Your support is appreciated.

Sincerely,

Scott Barton  
Principal/Director

## News from our School Vice Principal, Mr. Selleck continued

Make medical and dental appointments on Friday mornings, after school, or other times that do not conflict with classes. Never take students out of school for vacations. Remember the first day of school will be **Monday, August 19, 2013.**

### Uniforms

The school uniform is an important feature of our school culture. Insist that your students know and follow the regulations.

### Electronic Devices

Ipods and cell phones are a big distraction on campus. Please remind students about the importance of having all electronic devices turned off and out of sight during the school day.

Cyberbullying-If your son or daughter is experiencing cyberbullying, take the following steps:

1. **Don't Reply to Cyberbullying**-Instruct your teen not to reply
2. **Identify the Evidence**-Do not destroy it. It may be helpful to identify the perpetrator and may be requested by law enforcement.
3. **Block future Cyberbullying Attempts**-Using the blocking features of email or cell phone.
4. **Try to identify the Perpetrator**-Ask your teen if they know who it is
5. **Contact the Parents/Guardians of the Perpetrator**-Consider the feasibility of involving the parents of the perpetrator. Parents often react defensively to negative reports about their child, but they may be strong advocates to stop their own child's behavior. Consider including the evidence in the communication.
6. **Contact Your Service Provider**- File a complaint with Internet or Cell Phone service providers.
7. **Consider if Criminal Behavior has Occurred**-Contact law enforcement if threats of violence, hate speech, harassment, or inappropriate sexual content is involved.
8. **Get Legal Advice**: In serious cases seek out the advice of an attorney
9. **Notify your Teen's School**-Inform a School Administrator or Counselor of the problem; they can take note of manifestations of bullying at school.

## Whispers from the Copley Media Center

### Whispers from the Copley Media Center

We are nearing the end of a very busy and successful school year. We thank you for all your support and help in the library. If you still need volunteer hours, we will need lots of help in cleaning all the textbooks being returned.

Speaking of returning textbooks, last year we had many parents help to go through each and every textbook to make sure markings were erased, pages were taped and the covers were cleaned. At the beginning of this year we announced to all students if there was any damage in their textbooks to bring it to our attention, so we could mark it down or else they would be held responsible for the damage. **We will be charging students if the damage is beyond the normal wear and tear.** Encourage your sons/daughters to go through and remove any papers/post-its, erase any pencil markings or pictures and white out any ink markings that should not be there. It is important that every student treat all their textbooks with care and respect so that future classes will have access to good quality books.

All Seniors and 8<sup>th</sup> graders must turn in all library and textbook materials and pay all fines before they will be allowed to walk for graduation, receive their diploma or participate in "Celebration of Learning" ceremonies. If you have any questions about lost textbooks or library books please call us (858-658-7425). We can let you know how to take care of this matter. Thank you for your cooperation.

**All library materials (does not include textbooks) are due by the 14<sup>th</sup> of June. No check outs will be allowed after this date. Summer Reads will not be checked out until student's account is clear.**

We had our annual Origami Contest in April and announced the winners in May. 1<sup>st</sup> place went to 6th grader Hugh Tran, 2<sup>nd</sup> place went to 10th grader Belen Hernandez, and 3<sup>rd</sup> place went to 7th grader Diego Hernandez. Congratulations to each of our winners and to everyone who participated. We had many entries for the students to vote for.

In May we held our annual book fair with Barnes and Nobles/Bookstar at the Costa Verde Shopping Center. We made close to \$900.00. This money will be spent to buy books for our Seniors receiving awards and student requests for the library.

We have increased our number of books we receive from the Junior Library Guild to seven books a month and one audio book a month from just seven books a month. We have also added eBooks to our library catalog system through Overdrive. These eBooks will be available to all our students through our catalog system, Destiny or the library page on The Preuss School UCSD website. All the students will need is their student ID, a computer, tablet device, smart phone or MP3 player.

We have one last event for the school year. We will be hosting a Scholastic Book Fair here in the library. It will run from June 10<sup>th</sup> through June 14<sup>th</sup>. It is a BUY ONE GET ONE FREE EXTRAVAGANZA. The Fair will be open the night of Spring Learning Showcase. A great time to get some good summer reads. If you are interested in volunteering please contact Sandra Gutierrez.

Sincerely,

Karen Nance and Mara Gonzalez

## Healthy ideas from your school nurse

End of the year tasks at the school health office:

Please note the end of the school year will be upon us before we know it. If your child has medication at school, the medication needs to be picked up prior to the end of school, please pick up a new doctors school order form for next year if you anticipate the medication to be continued the next school year (a new doctors order form is required for each school year). This applies to inhalers, prescribed medications, over the counter medications (health exchange form will be sent out with the new school year packet). By being prepared for any medical needs, your child's health, safety, attendance and success at school can be at its optimal level.

### Health promotion: "Healthy children perform better at school"

Parents can promote good health habits and preventive health practices by setting up their teen yearly physical and or sports physicals for the summer (appointments fill up fast). The yearly physical exam is great as a screening tool for any medical concerns as well as screening for any vision/hearing deficits and dental needs. The doctor can promote health by referring to the appropriate services your child may require as well as managing any significant health conditions to keep your child healthy. Certain communicable disease can be prevented by following immunization recommendations and requirements. These vaccines can be administered at the yearly check up or through the local health department. Please see the nurse if you would like additional resources or information. Call 1-800 675-2229 to find a physician participating in the free CHDP physical program. Please note the toll free line 211 has resources r/e health and disaster services ([includes information on nutrition, diabetes, healthy weight and physical activity](#)) and many other resources such as food, housing and financial assistance, employment services and many more services for your child and family. If you need assistance in obtaining insurance care for your child please see the nurse.

The following are vaccine recommendations for 11 and 12 year olds (AICP federal advisory):

\*MENINGOCOCCAL VACCINE: protects against meningitis & other related infection

\*TETANUS BOOSTER (Tdap): protects against tetanus, diphtheria & whooping cough ([state requirement for 7<sup>th</sup> grade entry](#))

\*HUMAN PAPILLOMAVIRUS Vaccine (HPV) 3 dose series that helps protect girls & boys against the types of HPV that most commonly cause cervical cancer.

\*SECOND DOSE OF CHICKEN POX VACCINE (if your child hasn't had the chicken pox disease)

\*REGULAR SEASONAL FLU AND HINI VACCINE to protect from influenza and its complications

Please note that the meningococcal vaccine is recommended for ages 11 to 18 years, college freshman who will be living in dormitories and for those with certain medical conditions.

You and your child can check out the interactive website for teens/preteens: [WWW.MyBestShot.com](http://WWW.MyBestShot.com)

### Children and weight: What families can do :

Being overweight is a problem, especially for children. Diabetes, high blood pressure, stress on the heart and joints are some of the health problems seen in many overweight children today. The following steps are suggestions on ways to help your child stay at a healthy weight.

The following suggested interventions are adapted from the Coalition on Children and Weight San Diego:

-Love and accept your child. Give love attention, praise, support and respect. Comfort your child with love not food.

Encourage your child to talk about their feelings and plan to talk to your child every day.

-Enjoy regular meals as a family. Sit together and use the time to share happy events with each other. Try to make meal times fun and include the whole family in planning, preparation and clean up of a healthy homemade meal. Listen to your body and eat when hungry, stop when full. Serve smaller portions and let your child ask for more.

-When eating at a restaurant, choose meals carefully. Drink milk (reduced fat or non-fat, whole milk should only be served to children less than 2 years of age), juice or water instead of soda. Choose baked or broiled meats instead of fried. Share dessert or larger combo meals.

-Offer healthy foods, snacks and beverages. Growing children need 3 meals and 2-3 snacks per day. Pre-portion your child's snacks to grab on the go. Save money by planning ahead for shopping by making a list of items that are healthy food choices. Cut up fruits and vegetables ahead for quick snacks. Make sure to eat 5 servings of fruits or vegetables per day. Save ice cream, cookies or candy for special times.

- Find ways to get the whole family moving. Plan exercise or active play each day-move at least 60 minutes daily. Plan fun family activities. Go to parks, recreation centers and playgrounds. Play with balls, Frisbees, jump ropes and kites. Be active; walk, run, cycle or hike. Take a walk after meal time. Encourage your child to join sports teams, to play at recess, to walk to school or bus. Limit TV watching and video games to 1-2 hours a day. Always keep in mind safety-wear a helmet when cycling or skating, sunscreen when out in the sun, practice safe pool behaviors and follow all traffic laws when riding a bike on the street. Be a good example to your children by observing traffic laws, avoiding cigarette smoking and being active.

-For further information feel free to call our nurse, Christine Richter RN at 858-658-7422

## The Journalism class inspired student Daisy Gomez to participate in the Princeton University Summer Journalism Program

*A Story of Student Success By Mrs. Stephanie Garcia– English Teacher*

Junior Daisy Gomez was selected to participate in the Princeton University Summer Journalism program. The program, which takes place August 2-12, is an intensive 10-day seminar where she will be taught by reports and editors from *The New York Times*, *The Washington Post*, *Newsweek*, *The New Republic*, *The New Yorker*, CNN and ABC News, among other media outlets. Daisy, who with twenty other students from around the country, will also tour the *Times*, *Newsweek*, and CNN; cover a professional sports event; cover news events in the Princeton area; film and produce a TV segment; conduct an investigative project; author a group blog; and report, write, edit and design a newspaper, *The Princeton Summer Journal*, which is published on the program's last day. The program is designed to give low-income students with an interest in journalism first-hand exposure to 21<sup>st</sup> century careers in journalism. Daisy is currently the editor-in-chief of *The Preuss Insider*, our campus newspaper.

In addition, the program offers Daisy the opportunity to experience campus life at one of America's top universities. She will meet professors, the school's president, and the dean of admissions. She will attend seminars on the college admissions process and will attend an SAT class taught by the Princeton Review. The program also promises to assist Daisy during her college application process, should she desire to apply to Princeton. According to the program's web page, the program's whole purpose is to "diversify college and professional newsrooms by encouraging outstanding students from low-income backgrounds to pursue careers in journalism."

To apply, Daisy wrote essays, submitted samples of her writing, and interviewed by phone. The program pays for all of her expenses, including airfare. "I've always wanted to see *The New York Times*, as well as learn some insight on professional journalism and what it's like to write for the *Times* and CNN. I'm also excited to meet other kids who like to write," Daisy stated. She is also excited about bringing her new knowledge to *The Preuss Insider*, where she will continue her position as editor-in-chief her senior year.

## Spring Learning Showcase

**Wednesday, June 12<sup>th</sup>, 6:00-8:30pm.**

All students, except 8<sup>th</sup> and 12<sup>th</sup> grade, will be presenting a collection of their work from this year. This is a big event and we need parents to participate. It's a great way to get caught up on how your student did this year.

There will be no late activities buses.

Transportation will not be provided to the event-

**\*Pay parking available across the street from the school**

\*Parents will receive 2 hours for attending.

## Exhibición de Primavera

**Miércoles, 12 de junio, 6:00-8:30pm**

Todos los estudiantes, con la excepción de los de 8 y 12 grado, presentarán una colección de sus trabajos esa noche. Será un gran evento y esperamos que todos los padres participen. Es la mejor manera de mantenerse al tanto del progreso de su hijo/a durante el año escolar.

Los autobuses escolares de la tarde no estarán disponibles

No se proporcionará servicio de transporte al evento.

## Student Support Services The Preuss School UCSD JUNE 2013

### SUMMER SCHOOL 2013

The Preuss School will be offering summer school through an online credit recovery system called APEX and it will be held **3 days a week** (Tuesdays, Wednesdays and Thursdays) from July 9 – 25th. Students will have the opportunity to “make up” courses which they have earned a D or F in one or more semesters. The following courses will be offered this summer: Western Civilization, European History, US History, and Advanced English 9, 10, 11.

There is a Summer School Parent Orientation by invitation only on **Monday, June 17** from **4:30 to 5:30** in the Walton Center at The Preuss School UCSD. Mr. Barton, Ms. Nieto and the Summer School teachers (Ms. Gabay and Mr. Ramos) will go over their policies and curriculum. The meeting has been scheduled late in the day to facilitate your attendance. Students will be expected to attend the meeting with the parent, as paperwork will be completed and a summer school contract will be signed.

Here are some important facts about the Summer School program:

- o Summer School is **July: 9, 10, 11, 16, 17, 18, 23, 24, 25**
  - o A majority of the online work must be completed at home
  - o Students must provide their own transportation or pay a total of **\$20** for bus transportation.
  - o Students will be in school for 6 1/2 hours (**9 a.m.-3:30 p.m.**).
  - o Breakfast and lunch will be provided each day.
  - o Failure to complete summer school will make the student ineligible to complete the A-G requirements for admission to UC or CSU universities and/or possibly graduating from The Preuss School UCSD.
  - o English and social studies courses can no longer be repeated within the school year.
- Students and parents must attend a Summer School meeting and sign an attendance contract to be eligible for participation.

### Student Award Ceremonies in June

Preuss students have worked arduously this year and we would like to celebrate their accomplishments with an Award Ceremony. Students will be recognized for Honor Roll, Academic Department Awards, scholarships and other special awards received throughout the school year. Please note that most awards are self reported. If your student has received a special award, please notify his/her counselor. Award Ceremony attendance is by invitation only. Please remember that you must park across the street and pay for parking.
