Dear Parents,

Welcome to the 2011-2012 School Year. We have enrolled 815 students at The Preuss School. The Preuss School has just completed its twelfth year. The 2010–11 school year was certainly a year to remember. In June, The Preuss School was named as the as the Top Transformative School in the Nation by Newsweek. For the fifth consecutive year we have been ranked as one of the top schools in the country. In November we were named a National Blue Ribbon School and in April the state recognized Preuss as a California Distinguished School.

Our API of 899 continues to be one of the top scores in San Diego County. Sixty-eight percent of our students who took Advanced Placement Exams received a score of 3 or higher on at least one of these exams. This compares quite favorable to the California and global averages of sixty-four percent and sixty percent respectively.

The 2011 graduating class has achieved some outstanding accomplishments, including 95% being accepted to a four-year college. Eighty-one percent of our graduates were accepted to a University of California school and thirty-one percent will be attending a UC school. At least one Preuss graduate will be represented on every University of California campus and six students will be attending UC San Diego in the fall. Four students were Gates Scholars (twenty-one over the last five years) and three were QuestBridge Scholars.

A NOTE FROM THE VICE PRINCIPAL–PETE SELLECK

We are off to a great start of another outstanding school year. The success of The Preuss School has always been a result of students, parents, and staff working together toward a common goal.

The Student Handbook
Be sure to review school policies with your child. In addition check “The Planner” frequently to be sure that your student is using it to stay organized and keep track of homework assignments.

Homework
Students need a quiet place free of distractions to study each night. They also need a designated place to store school materials. See page 3
During the school year, many students participated in Enrichment Programs and this summer more than 100 students participate in Enrichment and Internship Programs with UC San Diego and our community partners. These students worked with engineers, doctors, scientists, professors and teachers from UC San Diego, UC San Diego Cancer Center, The Sanford-Burnham Medical Research Institute and many other local organizations. We are always looking for more opportunities for our students to gain experience in the workplace. Please contact me if you would like to learn how you can become more involved with our School.

**BECOME INVOLVED IN THE SCHOOL – JOINT THE PTA**

I encourage all of our parents to become involved in the school. Join the PTA. Support classroom and school-wide activities. The Saturday PTA General Meetings are a great way to learn about what is happening at Preuss, and it is a great time to get to know other parents. Each meeting includes a Principal’s Report, and a featured speaker will share information regarding school programs. Translation in Spanish is provided. You will also fulfill your Service Hours by attending the PTA General Meetings. The next General Meeting will take place on Saturday, October 22, 2011, and I look forward to seeing you there.

**BACK TO SCHOOL NIGHT**

Back to School Night was held on September 15, and it was attended by 415 parents. The parents had the opportunity to attend their child’s classes and meet their teachers. The faculty and staff were introduced in a brief meeting before the classroom visits. It was a night of learning for parents.

**NEW PARENT ACADEMY**

I encourage all parents new to The Preuss School to attend the New Parent Academy sessions which will be held on Wednesday, October 19, 6-8pm, Saturday, October 22, 9:30am-12:30pm and Wednesday, October 26, 6-8pm. You will be meeting the Advisory, Administrative and Student Support Services staff. You will also learn about The Preuss School curriculum and available resources, ways to help your student succeed at Preuss, school services and procedures, hear from a panel of current parents and students about how to be involved and feel a part of the Preuss community and receive answers to any questions you may have. You will also receive service hours for each session you attend and recognition for attending all three sessions.

**TRANSPORTATION**

We continue to use the San Diego Unified School District (SDUSD) to transport our students. There were changes in the pick-up and drop-off schedule and some students were moved to different buses. We have tried to accommodate students with the most suitable bus stop. Mrs. Villanueva, our Transportation Coordinator, has worked closely with SDUSD transportation to make the appropriate adjustments to the bus stops. Implementing bus changes can take up to one month. Please understand that we are doing our best to accommodate all families. If you have questions, please phone Mrs. Villanueva t 858-658-7412.

**SCHOOL ATTENDANCE**

Students need to be at Preuss every day and should only be absent if they are sick and/or contagious. Christine Richter is our school nurse and she can provide the information you need on whether your child is well enough to attend school. When students miss school, they miss out on valuable lessons, and the school loses money when students are absent. Please do not plan vacation days when Preuss is in session. Thank you for ensuring your child attends school every day. If you have any questions or concerns, please contact the school. Please contact your child’s teacher if your questions are about the classes or curriculum. Your child’s University Prep teacher is also a valuable asset and can answer questions or assist you in getting the appropriate information. You can contact the school by phone, Schoolnotes.com or the Preuss website (preuss.ucsd.edu) to get e-mail addresses of our teachers. Schoolnotes.com is a valuable resource as you can check to see the assignments for each class. I look forward to another successful school year.

Dear Preuss Parents:

Welcome to the 2011-2012 school year. The key to the success of your student is parent involvement. Get to know our school and its wonderful staff by attending the monthly Saturday Parent General Meetings. Most of all, I encourage all of you to get involved and join the PTA.

We fundraise throughout the year in many different ways, such as purchasing your annual PTA membership, selling the uniform sweatshirts and gym clothes, and attending our annual Dinner Dance. All the proceeds go directly to the different events that all of our kids are going to have throughout the year, and for transportation which is one of our biggest needs. Buying your membership makes you a voting member when decisions are made in the PTA and members are encouraged to attend our monthly executive board meetings held the first Tuesday of the month. There are many ways to volunteer, in and out of school. The PTA is always in need of your help and support, so we can give back to our students. Turn in your Box Tops, sign up for eScrip at www.escrip.com with group id #6554660, support our merchandise sales, and buy your PTA membership. Every little bit counts and goes to our students.

On behalf of our 2011-2012 PTA Executive Board, we welcome you and look forward to working with you this year.

Sincerely,

Maria Reid
Preuss PTA President

Dear Preuss Families,

It is a pleasure for the Student Services Team to welcome you to the 2011-2012 school year! A special welcome to our new students. We are also pleased to welcome our new learning specialist, Ms. Krista Bartlett.

Our mission in Student Services is to offer guidance and support to students in the Academic, Personal/Social, College/Career Planning areas. We are available to assist and meet with students about a variety of topics such as: peer mediation, loneliness, grief, academics concerns, and other teenage issues. Students may fill out a Request Form located at the reception desk to see us. If you have any concerns regarding your student please contact us or your child’s University Prep Teacher.

It is truly an honor to work with the students at The Preuss School UCSD. We look forward to a wonderful year!

The new.schoolnotes.com website is a good way to be updated with your child’s homework assignments and projects. Schoolnotes also provides an easy way to communicate with teachers through email. Follow these instructions to get connected:
1. Type in new.schoolnotes.com in the URL address space.
2. Click on the blue tab that says ‘Parents’
3. In the ‘Find Your Teacher’ section either enter the school’s zip code 92093, or search by school.
4. Scroll down to a specific teacher’s name and double click to view the assignments for that class.

Preliminary SAT Testing at Preuss

Most colleges in the nation rely on standardized testing to determine a student’s readiness for college level studies. The most commonly used standardized exams are the SAT and the ACT. Each year Preuss students take a practice exam to help prepare them for taking these standardized college admission tests during their junior and senior years.

This year, all 8th-11th graders will take the PSAT and all 8th-10th graders will take the ReadiStep Test, which is a Practice PSAT. Students will be tested in the areas of English, math, reading, and writing. Students will be able to see how they score in more specific sub-areas once they receive their score report. These test will given free of charge to our students.

- The PSAT will be administered on Wednesday, October 12th during a morning advisory testing block. The ReadiStep will be administered at a later date during a morning advisory testing block.

Academic Supports

There are many services at Preuss to support your child’s academic progress and achievement such as: SEA, After School Tutoring, UCSD Tutors in the Classroom, Learning Specialist, Counselors, & Advisory Teachers.

Important Note: Students who wish to stay after school for tutoring must make arrangements with teacher and parents ahead of time. Students must sign up in advance (no later than lunch on that day) to reserve their spot in a classroom for tutoring or they will not be allowed to stay afterschool.

Welcome back students and parents. Thank you for all your support in helping our students become successful. Back to school time is especially important to be excited about your child’s learning and to stay involved. Spend time with your children, be your child’s teacher at home. Monitor their homework and assignments. Enrich their learning by being enthusiastic and interested about their classes. (it’s contagious!). We all should be lifelong learners!

A big thank you to all the parents and students for getting your Tdap shots completed! It’s so important to keep our students safe through prevention of illness. Some back to school checklists to keep in mind include:

* Enroll your child in a health insurance program. Health insurance can help you afford routine and emergency care your child will need to stay healthy. Call SD-Khan at 1-800-675-2229 for affordable Medical and Dental Coverage for your children.

* Make sure your child gets their needed yearly physical. Health needs can be addressed along with preventive measures such as required and recommended immunizations at the doctor visit. You can learn about shot requirements at www.shotsforschool.org. If you need help contact your public health department or your CHDP office at 1-800-675-2229. (the CHDP program provides free health assessments and immunizations for low-income children). Contact the school nurse for further questions and ALLWAYS update the nurse with your child’s updated immunizations and up to date health information. If your child has asthma, please be sure an asthma action plan and medication are on file each school year. If your child needs medication at school, a doctor’s order is required AND the medication needs to be kept at the nurse’s office. Yearly flu shots are recommended to help prevent the flu. Also very important for health are: adequate sleep, good nutrition and exercise.

* Schedule dental and vision appointments. Dental health and ability to see well is tremendously important in your child’s learning. It is recommended that children see a dentist every 6 months. Please continue to practice positive oral care habits.

Thank you!
Christine Richter RN, school nurse

Meet the new staff member, Krista Bartlett

Dear Preuss Community,

My name is Krista Bartlett and I am the new Learning Specialist. You may have already seen me in classes, teaching in small groups and helping students one-on-one. My job is to serve our school community by supporting the needs of students who have unique abilities or learning styles. I will also oversee all of our Individual Education Plans (IEP). As I look ahead to the coming year, I am most excited about helping students increase their skills, expand their abilities and improve their learning strategies. I want to thank all of the staff and student who have already made me feel welcome here at Preuss. If you see me on campus, in your classroom or if you would like to contact me directly, I encourage you to reach out for support! I look forward to working together and experiencing a very successful school year!

Warmly,

Ms. Bartlett

**Why Join the Preuss PTA**

What is PTA? Why join PTA? The number one reason to join the Parent Teacher Association is to benefit your child. In doing so, you also help your school. But there are many more PTA advantages:

- **Get Connected.** There’s no better way to know what’s happening in your school.
- **Discover Great Resources.** The PTA offers a variety of programs designed for parents as well as students.
- **Tap into a Network.** PTA functions are opportunities to meet other parents and teachers, building rapport and discussing issues that are on your mind. You can share ideas, concerns, and experiences.
- **Watch Yourself Grow.** By volunteering with your PTA, you put your skills and hobbies to use for a noble cause—your child and all children in the community.
- **Speak Up.** PTA can be a way for you to more effectively suggest change at your child’s school.
- **Witness Improvement.** By getting involved at your child’s school you’ll be part of the solution, helping make positive changes. Local PTAs play an important role in fundraising to provide building improvements, curriculum-based programs, and social events
- **Be a Role Model.** By becoming a PTA member, you’ll be demonstrating to your child the importance you place on education.

For $10.00 a year, you can become a PTA member, joining people who share your interest in issues affecting children. You can purchase your membership at the school Office or with any Preuss PTA member.

**You’re invited to the Lego League Tournament!**

Parents, “Lego League” season is beginning, where your middle school student can learn about building/programming robots and teamwork! Students from the high school robotics team are the coaches and mentors.

The season finishes with a big tournament held at Preuss on Saturday, November 12th—8:00am-5:00pm. We could use some parent volunteers to help run the event (setup, general supervision, snack sales, referee and presentation judge etc). You can earn volunteer hours! If you are interested, please contact coach Dan Rupert, drupert@ucsd.edu or leave a message at school. Thank You!
