Dear Parents,

Welcome to the beginning of our fifteenth year at The Preuss School UCSD. Our 2013-2014 enrollment for this year is 842 students, with a 122 new sixth graders. The 2012–13 school year was the first year in the history of Preuss that our seniors had a 100% acceptance to four year colleges and universities. We are so proud of the Class of 2013. In June, The Preuss School was named as the as the Top Transformative School in the Nation by Newsweek for the third year in a row. For the six consecutive years we have been ranked as one of the top schools in the country. In addition, the Center on Educational Governance at the University of Southern California named Preuss as the #5 charter school in California. These achievements would not be possible without the amazing Preuss students, you the parents and your support, along with the exceptional Preuss faculty and staff. We make a great team!

This year we welcome new faculty members in the math, science, and Spanish departments.

News From Scott Barton Cont’d

During the school year, many students participate in Enrichment Programs and Internships that continue into the summer programs with UC San Diego and our community partners. These students worked with engineers, doctors, scientists, professors and teachers from UC San Diego, UC San Diego Cancer Center, The Sanford-Burnham Medical Research Institute and many other local organizations. We are always looking for more opportunities for our students to gain experience in the workplace. Please contact me if you would like to learn how you can become more involved with our School.

Become involved in the school PTA

I encourage all of our parents to become involved in the school. Join the PTA. Support classroom and school-wide activities. The Saturday PTA General Meetings are a great way to learn about what is happening at Preuss, a great way to earn volunteer hours, and it is a great time to get to know other parents. Each meeting includes a Principal’s Report, and a featured speaker will share information regarding school programs. Translation in Spanish is provided. You fulfill your volunteer Service Hours by attending the PTA General Meetings, and learn new information. The next General Meeting will take place on Saturday, September 21, 2013, and I look forward to seeing you there.

Back to School Night

Back to School Night was held on August 29, and it was attended by 435 parents. The parents had the opportunity to attend their child’s classes and meet their teachers. The faculty and staff were introduced in a brief meeting before the classroom visits. It was a night of learning for parents.

New Parent Academy

I would like to invite parents to the New Parent Academy series. This academy is for all parents who have not previously attended a New Parent Academy meeting. New parents have the opportunity to meet Advisory, Administrative and Student Support Services staff. They also learn about The Preuss School curriculum and available resources, ways to help your student succeed at Preuss, school services and procedures, hear from a panel of current parents and students about how to be involved and feel a part of the Preuss community and receive answers to your many questions. Parents who attend receive service hours for each session and recognition for attending all three sessions. The dates of the New Parent Academy are October 2, 6-8pm, October 9, 6-8pm, and Saturday, October 19, 11:00am-12:30pm.

Transportation

I would like to thank the parents who have contributed to the cost of transportation. As I have mentioned, it costs us about $1,000 per year to bus each student. We ask parents to donate $200 per year, per student, to help with transportation costs so busing is not discontinued. We continue to use the San Diego Unified School District (SDUSD) to transport our students. There have been changes in the pick-up and drop-off schedule and some students were moved to different buses. We have tried to accommodate students with the most suitable bus stop. Mrs. Villanueva, our Transportation Coordinator, has worked closely with SDUSD transportation to make the appropriate adjustments to the bus stops. Implementing bus changes can take up to one month. Please understand that we are doing our best to accommodate all families. If you have questions, please phone Mrs. Villanueva at 858-658-7416.
Students need to be at Preuss every day and should only be absent if they are sick and/or contagious. Christine Richter is our school nurse and she can provide the information you need on whether your child is well enough to attend school. When students miss school, they miss out on valuable lessons that cannot be recreated with homework; in addition the school loses money when students are absent. Please do not plan vacation days when Preuss is in session. Thank you for ensuring your child attends school every day, being in school everyday equal’s student success.

As we proceed with the school year if you have any questions or concerns, please contact the school. Please contact your child’s teacher if your questions are about classes or curriculum. Your child’s University Prep teacher is also a valuable asset and can answer questions or assist you in getting the appropriate information. You can contact the school by phone, Edmodo or the Preuss website (preuss.ucsd.edu) to get e-mail addresses of our teachers. Edmodo is a valuable resource as you can check to see the assignments for each class. I look forward to another successful school year.

Scott Barton

Notes from the Parent Teacher Association President Continued

Only those who have been paid members for 30 days are entitled to make a motion, debate, be nominated for PTA office and vote at PTA meetings.

The California State PTA membership year runs from July 1 to June 30. The membership card expiration date is October 31, allowing a grace period for members to renew their membership.

Monthly Parent General Meetings

A lot of work goes into the preparation of our monthly Parent General Meetings to get vital information that parents can use to help their kids do well at school and their communities, so it’s very important that you attend these meetings. See you at our first General Meeting September 21, 2013

PARENTS! The Preuss School UCSD PTA Facebook page has important updates and information! Please “like” (us)

Next PTA General Meeting is Saturday, September 21St. 2013
Next PTA Executive Board Meeting is Tuesday, October 1 St, 2013
What Parents Should Know About the Common Core State Standards
By Jan Gabay, Preuss English Teacher/Staff Developer

Have you heard the buzz recently in the newspaper, on TV, and online about the Common Core State Standards (CCSS) and what they have to do with your child’s learning? Don’t worry if this doesn’t sound familiar. An Associated Press (AP, July 2013) survey found that nearly 52% of parents nationwide had heard “only a little” or “nothing at all” about the standards. Only 25% said they heard “a lot” or “a moderate amount.” So to fill in any gaps or answer basic questions, here are common questions and answers for Preuss parents about the CCSS. This may be the first in a series of articles about CCSS for The Preuss School UCSD Insight Newsletter.

Q: What are the Common Core State Standards?
A: The standards spell out, grade by grade, the reading and math skills that students should have as they go from kindergarten through high school. For example, in reading, a 6th grader should be able to explain how an author develops a character’s point of view, while a 10th grader should be able to show how a point of view from a different culture differs from someone’s in the U.S. In math, a 6th grader should be able to do division with decimal quotients, while a high school math student would be expected to apply quadratic functions to physical problems, such as the motion of an object under the force of gravity. The Common Core is NOT, however, a day-by-day curriculum that dictates teachers’ lessons.

Q: What’s different from the old standards?
A: The new standards are considered more rigorous than the previous California Standards because they require students to think and reason more. The English standards rely on a more even mix of literature and informational texts, such as historical documents such as the Declaration of Independence. The math standards focus not only on the how, but the why, of problem-solving.

Q: Are these standards being used across the United States?
A: All states—including California-- have adopted the CCSS except Alaska, Texas, Nebraska, and Virginia, while Minnesota has adopted only the English standards. Before, individual states decided what students should know before they graduated from high school. Now the CCSS are uniform benchmarks to ensure a high school graduate from any state will be ready to begin college without taking remedial classes.

Q. If so many states have adopted the CCSS, why don’t more parents know about them?
A: The standards are still fairly new. In California, the standards are being phased in by grade or school district. They require deep understanding by educators to be successfully implemented and integrated into classroom teaching and student learning. At The Preuss School, teachers and administrators have attended many workshops, training, and conferences, as well as our own staff development sessions to understand what the standards are and to help students meet the standards. In other words, Preuss teachers are still learning and are just beginning to apply the CCSS in their teaching. In California, the 2013-2014 school year is the implementation year.

Q. Will students be tested on these standards?
A. Yes, eventually. Some exams are already being field-tested. Because the tests will most likely only be given online, California schools and districts have a lot to do to get ready to administer the tests, once the students are fully prepared.

Q. Who supports these standards?
A. U.S. Education Secretary Arne Duncan is among high-profile supporters. He recently said the Common Core State Standards may prove to be “the single greatest thing to happen to public education in America since Brown versus Board of Education.”
Hello and Welcome Preuss Families!

It is a pleasure for the Student Support Services Team to welcome you to the 2013-2014 school year! A special welcome to our 122 new 6th grade students and our 6 new 9th grade students.

Our mission in the Student Support Services Department is to offer support and guidance to all of our students in Academic, Personal/Social, and College/Career Planning domains. We are available to meet with and assist students with a variety of topics such as: grades or other academic challenges, stress, pressure, loneliness, grief, transitions, or other teenage issues. Students may request a pass from their teacher or the nurse to meet with us. If you have any concerns regarding your student please contact us or your child’s University Prep Teacher.

It is truly an honor to work with the students at The Preuss School UCSD. We look forward to a wonderful year together!

CalSOAP College Fair 2013

For High School Students and Parents

Over 100 Colleges Represented and 7 workshops offered:

Location: Scottish Rite Center
1895 Camino del Rio South San Diego 92108

Date: Wed. Oct. 30
Time: 6:00pm-8:30pm
Cost: FREE!!!

The California High School Proficiency Examination (CHSPE) is a program established by California Education Code Section 48412. The CHSPE provides an opportunity for eligible persons to demonstrate their proficiency in the basic requirements and earn the legal equivalent of a California high school diploma. Please see your high school counselor to find out more information.

Jesuit College Fair

Date: Thursday, Sept. 12,
Time: 6:00pm-8:00pm
Cost: FREE
Location: Marriott Del Mar
11966 El Camino Real
Del Mar. CA

Colleges Represented:
Loyola Marymount University • Loyola University Chicago • Loyola University Maryland • Loyola University New Orleans • Marquette University • Regis University • Rockhurst University • Saint Joseph's University • Saint Louis University • Santa Clara University • Seattle University • University of San Francisco • University of Scranton • Xavier University

College Rep Visits

Every Fall, college representatives schedule visits to our campus to meet with our fantastic students. High school students who wish to attend these college presentations should sign up on Naviance, where they can also see the most up-to-date schedule. A weekly update of College Rep Visits will also be included in the Daily Bulletin.

Attention 11th grade students and parents!

College Kick-off Meeting

Saturday, October 5, 2013
The Preuss School Walton Center from 9:00am-11:00am

This meeting will present an overview of 11th grade university prep, college options, college admission tests, financial aid basics, and parent/student panel.

Attention SENIORS and PARENTS:

Countdown to College

A College Application Kick-Off Meeting

Saturday, September 14, 2013
The Preuss School Walton Center from 9:00am-11:00am

This meeting will present an overview of the college application process for the Class of 2013. We will review the Fall semester events and deadlines, roles and responsibilities in the college application process, and a financial aid review.

This event is mandatory for 12th grade students and parents.

The Family Educational Rights and Privacy Act (FERPA) affords parents/guardians and students over 18 years of age certain rights with respect to student records. These rights include inspection of records, the right to request the amendment of student records that the parent/guardian or eligible student believes are inaccurate and the right to consent to disclosure of personally identifiable information contained in the student’s education records except to the extent that FERPA authorizes disclosure without consent.
Welcome Back! The library has gotten off to a roaring start with textbook check out and 6th grade orientation. Our first library notices will go out at the beginning of September. Remember if your student/s has textbooks from last year or years past or fines totaling more than $2.00, he/she will not be able to participate in athletics, clubs or school sponsored events. Paying part of their fine will clear them for the month and paying all will clear them for good.

It is very important that your student checks each and every one of their textbooks for any damage. Damage can include writing, drawings, water/food stains, torn pages and or torn covers. We cleaned and checked all textbooks that came in last year, but things get missed. If the student does not bring any damage to our attention by the end of September then they will be held responsible at the end of the year. It is a $5.00 minimum charge.

We are celebrating Banned Books Week from September 22 through September 28th. Stop by the library to check out books that have been banned or challenged and read about why the book was banned or challenged. We will be having a contest to celebrate, more details to follow in the daily bulletin.

Online library information is on the Preuss School website. Check us out under Current Students. We have links to our databases, the school catalog, the DCP and Overdrive, our new ebook collection site. Students are able to access our ebooks using their student ID number.

We have many new additions for the students to check out. As the books are added to the catalog they are placed on the NEW BOOK bookshelf in the front of the library as you walk in the door.

We are always in need of parent volunteers! We hope to see you in the library.

Keep Reading,

Ms. Nance and Ms. Gonzalez

FALL 2014 ADMISSIONS APPLICATIONS SEASON

Applications for the Fall 2014 will be available the first week of October 2013. You may pick up a hardcopy in the main office or print out a copy online at preuss.ucsd.edu/admissions.

The deadline for submission is Friday, December 20th by 4:00pm. Parents can either turn in the application in the main office or mail it to the Office of Admissions.

The Preuss School will be hosting its Open House on Saturday, November 2nd from 10:00am-12:30pm. This will be an opportunity for all interested parents and students to learn more about The Preuss School, meet the teachers, and tour the school. We will also have applications available at the Open House.

If you are unable to attend the Open House, but would like to learn more about The Preuss School UCSD, please contact the Office of Admissions with any questions or visit the website for more information on upcoming outreach presentations throughout San Diego County! 😊

Best,

Hazel Claros

MEET THE NEW PREUSS FACULTY MEMBERS IN THE MATH, SCIENCE, AND SPANISH DEPARTMENTS

Ms. Shaoni Bandy
Hello and Welcome! I am so excited to be teaching at Preuss and am happy to be among such an amazing group of faculty, staff, and students. I am teaching Advanced Science 7 and 6th Grade University Prep and look forward to a wonderful year with the students in those classes. I completed my undergraduate degree at UC San Diego and am proud to continue to be part of the UCSD community as a teacher at the prestigious Preuss School.

I look forward to meeting you all.

Adam Ramirez
My name is Adam Ramirez and I am very excited to work as an intern teaching seventh and eighth grade science along with a sixth grade science elective this year. I was raised and currently live in Chula Vista and recently graduated from UCSD. Along with this internship, I will be working on a Masters program and completing the requirements for credentialing this year as well. I am looking forward to an amazing year!

Thank you.

Viviana Zamora-Luna
I am starting my 9th year of teaching. It is my first year at the Preuss School and second in California. For 7 years, I taught at C.Milton Wright High School near Baltimore, MD where I taught every level of Spanish. I earned both my undergraduate degrees (Spanish and Education) from Fairmont State University in West Virginia. I will be teaching Spanish 3 and 4 in addition to serving as the school-wide sub. I am looking forward to working with the the Preuss faculty, Staff, Parents and students.

Mr. Mauricio Rangel
I was born in Mexico City but moved to the Northern California Bay Area before my 1st birthday. Like all of our students I was the first in my family to go to and graduate from college and faced many struggles, both financial and personal, along the way. I attended UC Berkeley where I majored in Nutritional Science with an emphasis in Physiology and Metabolism. I have always been really interested in the sciences and got a good background in research at Cal. After I graduated however I began working for UC Berkeley at schools in San Jose running a program to help more students, especially first-generation students, get to college. This is where I really developed my passion for education and towards the mission of success for every student. After being with this program for 3 years I decided that teaching is where I could have the greatest impact in students’ success. I applied and was accepted into Stanford's Teacher Education Program which I finished in June of ‘13. This is my first year of full-time teaching and I am very grateful and fortunate to be at a school whose values so closely match my own. I look forward to having a productive year and working with everyone to change the lives of the people that we teach!

Viviana Zamora-Luna

For 7 years, I taught at C.Milton Wright High School near Baltimore, MD where I taught every level of Spanish. I earned both my undergraduate degrees (Spanish and Education) from Fairmont State University in West Virginia. I will be teaching Spanish 3 and 4 in addition to serving as the school-wide sub. I am looking forward to working with the the Preuss faculty, Staff, Parents and students.

Christobelle Tan
I am Ms. Christobelle Tan and although this is my first year as a full time teacher at the Preuss School, I taught at Preuss last year as well. You have probably seen me working with Mrs. Martinez and Ms. Neri.

I was born and raised in Malaysia and only moved to the United States six years ago. I graduated from University of California, San Diego (UCSD) with a Bachelors of Arts in Mathematics Secondary Education and also took my Masters in Education at UCSD.

This year I am teaching Honors Algebra 1, Math Enrichment 8, and have a wonderful 6th grade University Preparation class. Even though I teach Mathematics, I believe that a teacher’s job goes beyond teaching a particular subject. A teacher’s job is also to create a place of molding, stretching, and strengthening so that their girls and boys become women and men who are not afraid of who they are, not afraid of their strength, not afraid to chase after their dreams, and not afraid to pick themselves up after a fall or many falls.

Working at Preuss is such a great privilege because I get to work with legendary teachers, administrators, staff, and parents who are dedicated to give each and every student quality education which is the key to allow students to become authors of their own life story.

I am very family oriented. I have the best, huge family and I spend most of my time with them. I also enjoy going to the beach, eating at new places, hiking, playing in the snow, and going to the Padres game.
WHO: Parents of all new Preuss students (6th-9th grade)*
WHAT: 3 sessions for parents to learn services and procedures that will ensure your child is successful at Preuss.
In these sessions you will:
Learn what you can do to ensure your child’s success at Preuss
Be informed of school services, policies and procedures
Get to know the Preuss community of teachers, administration, staff, current parents and students
Feel empowered and a part of Preuss!

WHEN: Wednesday October 2, 2013, 6-8pm
       Wednesday October 9, 2013 6-8pm
       Saturday October 19, 2013 11am-12:30pm

**Parents who attend all 3 sessions will receive recognition**
WHERE: Walton Center at Preuss (school gym)
WHY: We want to partner with parents to best serve students.

*Although this program is designed for parents of new Preuss students, any Preuss parents who want to attend are welcomed.

Questions? Contact Ms. Gutierrez at (858) 658-7473 or preussvolunteer@ucsd.edu

---

QUIEN: Padres de estudiantes nuevos en Preuss (6º-9º año)*
QUE: 3 sesiones para que aprenda sobre los servicios y procedimientos con los cuales puede asegurarse de que su hijo/a sea exitoso en Preuss.

En las sesiones usted:
Aprenderá que puede hacer para asegurarse que su hijo/a sea exitoso en Preuss
Se informara de los servicios, políticas, y procedimientos de la escuela.
Conocerá la comunidad de maestros, administración, personal, padres y estudiantes ¡Se sentirá una parte vital de Preuss!

CUANDO:  Miércoles 2 de octubre, 6-8pm
          Miércoles 9 de octubre, 6-8pm
          Sábado 19 de octubre, 11am-12:30pm

Lo padres que asistan a las 3 sesiones recibirán un reconocimiento**
DONDE:  Salón Walton en Preuss (gimnasio escolar)
POR QUE: Queremos unímos a los padres para servir mejor a sus hijos/as.

*Aunque este programa fue diseñado para padres de estudiantes nuevos, todos los padres de Preuss que deseen asistir serán bienvenidos.

¿Preguntas? Contacte a la Srita. Gutierrez al (858) 658-7473 o preussvolunteer@ucsd.edu
Welcome back students and parents. Thank you for your hard work and support of your student. My name is Christine Richter RN and I am the school nurse at Preuss. I am here each day to support your student’s health. Maintaining good health is very important to your child’s educational success. Please keep the nurse informed of any health concerns your child has along with current contact numbers for emergencies. If your child has asthma, please be sure an asthma action plan is in place (see the nurse for required physician forms). If your child needs medication at school, a doctor’s order is required each school year. The medication needs to be kept safe and administered in the nurses office. The following are some ideas to keep your student healthy:

**Staying Up to Date on Immunizations:**

All 7-12 grade students are required to get a tdap booster to prevent tetanus and pertussis (whooping cough). Our current 6th graders will need to get the booster prior to entering 7th grade. Please contact your school nurse if you would like your student to get this shot at school. For more information on required and recommended vaccines see: [www.shotsforschool.org](http://www.shotsforschool.org). Keep in mind flu shots require a yearly booster to be effective.

**Getting a Yearly Physical:**

Health needs along with preventive measures can be addressed by the doctor along with the updating of needed immunizations and making connections to health resources such as dental care, nutritional counseling, vision resources. If your child does not have health insurance, the CHDP program can provide a physical free of charge along with assistance with obtaining health insurance for your child, please call 1-800-675-2229 for this important resource.

**Healthy Eating:**

Assure your child gets 3 healthy meals and 2 nutritious snacks each day, breakfast is especially important to maintain focus at school. Benefits of eating breakfast include higher test scores, reduced absences and tardies and improvement of overall nutrition and healthy body weight. Offer your child a variety of fruits and vegetables, calcium rich foods such as low fat cheese and yogurt, make half your grains whole and go lean with protein. If your child is lactose intolerant, see the nurse for a “a milk substitute.” Water is hydrating without calories.

**Healthy Habits:**

Encourage our child to be active, set a goal of 60 minutes/day, family walks are a great time to discuss the day and keep communication lines open. Limit screen time which includes TV, video games, computers to a maximum of 1-2hrs/day. Be sure to have your child brush and floss their teeth twice a day and to see the dentist twice a year. (tooth aches and dental disease can affect school performance and health).

Vision health is important as well, be sure your child wears their glasses at school and gets yearly vision exams. If you need assistance in getting glasses for your student please see the nurse. If your student has lost their glasses, please check with the nurse. Good Vision = Better Performance at school!
Parent Volunteer Opportunity

15 volunteers needed to help finish painting all the areas that weren’t finished over the summer.

When: Saturday, September 28, 2013
Time: 8:00am-2:00pm
Where: The Preuss School UCSD

If you would like to volunteer please contact Sandra Gutierrez, Volunteer Coordinator at 858-658-7473 or email at preussvolunteer@ucsd.edu.

Necesitamos 15 voluntarios que ayuden a terminar de pintar las áreas que no terminamos de pintar este verano.

Cuando: Sábado, 28 de septiembre
Hora: 8:00am-2:00pm
Donde: La Escuela Preuss

Si le interesa ser voluntario favor de llamar a 858-658-7473

UPCOMING SCHOOL EVENTS

9/14: College Kick-Off Meeting, Walton Center, 9:00-11:00 a.m.
9/20: Make-up Picture Day- 9:00 a.m.- 4:00 p.m.
