**New Items:**

It's time to put an end to the myth that "Cinco de Mayo" is Mexico's independence day. The day celebrated for Mexico's independence is Sept. 16, a day after the independence day celebrations of numerous nations. Friday marked the Sept. 15 Independence Day celebrations for Costa Rica, El Salvador, Guatemala, Honduras and Nicaragua, which is why Hispanic Heritage Month kicks off on the day it does. It extends to include Mexico and Chile's celebrations as well as Oct. 12, which is a national holiday in Mexico known as Dia de la Raza.(10/6, Meka)
