Chelsea's Light Quote of the Day:

Watch out for each other. Love everyone and forgive everyone, including yourself. Forgive your anger. Forgive your guilt. Your shame. Your sadness. Embrace and open up your love, your joy, your truth, and most especially your heart.

-Jim Henson

SAT WORDS: innovate (v.) to do something in an unprecedented way

Today's poem for April 1, 2019, is by poet Denise Rodgers and describes a well-known reason students sometimes give for not having their homework. Did YOU do your homework?

The dog ate my homework
just like it was kibble.
He started up slow
with a cute little nibble
and then scarfed it down
with a burp and a snort.
How was he to know
that my special report
was due here this morning
precisely at 8:00.
So now it is eaten.
I'm sorry it's late.
But what can you do
when your dog needs a snack
and your stapled report
comes under attack?
I told him to stop
but he just wouldn't mind.
When my dog is hungry,
he's not very kind.
I'll bring it tomorrow,
and you'll see it then.
So long as my dog
Isn't hungry again!
