Chelsea's Light Quote of the Day:
**Success is not how high you have climbed, but how you make a positive
difference in the world.**
-Roy Bennett

SAT WORDS: tenable (adj.) able to be defended or maintained

APRIL IS NATIONAL POETRY MONTH. Do you remember what *personification* is? Today's poem uses extended personification in a fun way! –Ms. Gabay

Flying Popcorn

A piece of popcorn
escaped from the pan
and flew across the kitchen
like Superman.

It ping-ponged back and forth
between the oven and the freezer.
Then it shot up to the ceiling
like a daredevil trapeezer.

I tried and tried to catch it,
but it never missed a trick.
So finally I gave up
and ate a licorice stick.

[Yearbook Application 2019](#)

Thank you for your interest in joining the Yearbook Class! This class is unlike any other, and you will have the chance to make great friends while learning valuable lessons about graphic arts, desktop publishing, and responsibility. And, of course, you will be creating next year's edition of the Preuss School yearbook, *The Tide*! Yearbook is a year-long, student-run elective that creates, markets, sells, and distributes the Preuss School Yearbook. The class is divided into committees, and each committee is assigned to focus specifically in one area. The committees include Design, Photo, Business, and Copy. Student officers help train students, select the content of the yearbook, and ensure a top quality yearbook. Students design their pages from the ground up, taking pictures, writing captions, and creating eye-catching designs to make our yearbook shine. All students use the online program eDesign to design the book, which is based on state-of-the-art software InDesign, used by many professionals.
