iOye, Oye!

The Spanish National Honor Society is selling "Love a Llama" and "Who's Your Llama" pins in order to help a South American family in need. Our goal is to buy one llama for one family by December 21st. Pins will be sold in front of Walton Center during middle and high school lunches for a one-dollar donation.

So, why do we buy a llama?

Llamas are prized for their warm wool, which can be made into blankets and clothing and sold at markets to buy things such as medicine and books. Llamas are the only animals that can withstand the harsh conditions of the Andes Mountains and because they are soft-footed animals, they do not ruin the family's crops.

All students, teachers and staff are invited to contribute to the gift that changes lives!
