**Attention 10th graders:** Are you interested in learning what real science in a laboratory looks like? Would you like to get paid to see how scientists study cancer cells? The Sanford Burnham Prebys Research Institute in La Jolla sponsors a 2-week Introduction to Science for Preuss 10th graders. Come hear about the program and pick up application materials on WEDNESDAY FEB. 27TH during lunch in C101. *You must attend the information meeting in order to apply.* (Artz 2/27)

**Hello students,** as many of you already know, we are so fortunate to be able to provide snacks for you as needed. This has been made possible through a partnership we have with the San Diego Food Bank. Each time you receive a snack you will need to fill out a google form that takes a few seconds to complete. The link to the google form is [tinyurl.com/block8snacks](https://tinyurl.com/block8snacks). This google form allows us and San Diego Food Bank to continue providing these snacks for you in the future. If snacks are taken without the completion of the form and/or without permission we can lose this wonderful program. PLEASE, PLEASE, PLEASE see a teacher or me for snacks. If what we provide is not enough, you can definitely ask for more. DO NOT take the snacks without permission and without filling out the form. Thank you for your cooperation. Lastly, please be sure to keep our campus clean by throwing away your snack trash in a trashcan. (Torre 2/28)

**Attention 11th graders:** Are you interested in a medical career but not sure which one? Consider applying for HIP - Health Information Partners during the summer at UCSD. The 2-week residential program has you visiting and exploring a variety of health careers all while living in a UCSD dormitory. Come hear about the program and pick up application materials on TUESDAY MARCH 5th during lunch in C101. *You must attend the information meeting in order to apply.* (Art 3/5)
