Life was meant to be lived, and curiosity must be kept alive. One must never, for whatever reason, turn his back on life.

-Eleanor Roosevelt

SAT WORDS: empathy (n.) sensitivity to another's feelings as if they were one's own

New Items:

Congratulations to Team 812 robotics, your Midnight Mechanics! The team started off slow at the Orange County regional last week, but made some design improvements and had a great weekend at the San Diego Regional! They won 9 of 10 qualifying matches, earning them a 2nd place ranking, then battled their way to the semi-finals in the elimination bracket. Don't panic, we are the Midnight Mechanics! Here is a link to a sample match:
