**Reminders:**

Congratulations to Team 812 robotics, your Midnight Mechanics! The team started off slow at the Orange County regional last week, but made some design improvements and had a great weekend at the San Diego Regional! They won 9 of 10 qualifying matches, earning them a 2nd place ranking, then battled their way to the semi-finals in the elimination bracket. Don't panic, we are the Midnight Mechanics! Here is a link to a sample match:

We want to remind all students that the nurse's office is not a place to ask for after school snacks. (Front office)
