Chelsea's Light Peer Corps Inspirational Quote of the Day:
I long, as does every human being, to be at home wherever I find myself.
–Maya Angelou

 **Happy First Week of Fall** 

SAT WORDS: notion (n.) a conception of or belief about something

New Items:

September is National Suicide Prevention Month. Every day in California friends, family, and co-workers struggle with emotional pain. And, for some, it's too difficult to talk about the pain, thoughts of suicide and the need for help. Youth who are suicidal are more likely to talk with their peers rather than with adults about their concerns. Therefore it is important for you to know the signs, find the words, and reach out. Check out www.suicideispreventable.org for more information about how you can help a friend. The NAMI on Campus Club has placed semi-colons around campus today as a reminder of hope. We are the authors of our story, choose to continue your story with a semi-colon rather than end it with a period. If you or someone you know is struggling with suicidal thoughts please contact the crisis line at 888-724-7240 or see a counselor on campus. Your story matters. -Mrs. Torre & NAMI on Campus Club (Torre 9/25)
