Daily Bulletin "B" Day
Friday, January 24, 2020*

Chelsea's Light Inspirational Quote of the Day:
Tomorrow is a new day; begin it well and serenely and with too high a spirit to be encumbered with your old nonsense.
-Ralph Waldo Emerson

SAT WORDS: diaphanous (adj.) light, airy, transparent

This Day in History:

Gold is discovered by mill worker James Marshall along the banks of Sutter's Creek in California, which soon after led to the California gold rush. Within months, gold-seekers from all over California, and even Mexico, Chile, and China, arrived in the area. After President James K. Polk officially announced it in his State of the Union message to Congress on December 5th, there was a mass of migration to California from all over the nation. (1848) (End Date: 1/24/20 Greco)
