A Letter to from Dr. Griffith:

March 13, 2020

To our Preuss Scholars and Families:

As we continue to closely monitor the 2019 novel coronavirus (now named COVID-19) situation we are aligning with the directives of the San Diego Unified School District, the County Health Department, and the Chancellor of UC San Diego to take actions to slow the spread of COVID-19. Therefore, The Preuss School will move to Remote Learning effective, Monday, March 16 to Friday, March 27 and scholars will not be on campus . Here is the specific schedule below:

Remote Learning Begins Monday March 16 Remote Learning Ends Friday March 27 Spring Break Begins Monday March 30 Spring Break Ends Friday April 3 Return to School Monday April 6

Teaching and learning will continue remotely, meaning students must complete assignments from home and not come to campus. If students fail to complete the work, they will be in jeopardy of failing classes. Therefore, we strongly urge our scholars to take full advantage of the learning and complete all assignments. Today, all scholars will be given the assignment packages and that same work will be accessible from the Preuss website at www.preuss.ucsd.edu under the Campus Life link to Remote Learning Plans. Some teachers have the ability to send assignments via Google Classroom and those links will be posted on our website under the Remote Learning Plans link. For assistance with assignments, teachers will be available to scholars during the school day via email or Google Classroom. All assignments must be completed before they return to school on Monday, April 6, 2020.

We will place regular updates on our webpage under the COVID-19 link and will continue to send updates via Parent Square. Please closely monitor your email and text messages so you can remain aware of any changes to our status.

As a reminder, if you or your child has respiratory symptoms and fever of >100 F / >37.8 C (lowered from 100.4 F), you should contact your health care professional. It is important to note: during this time scholars should stay home and not frequent malls, restaurants, or other public places as the school closure is being mandated in an effort to slow and stop the spread of the virus in San Diego County.

**The Preuss School UCSD
(858) 822-3000**

PLEASE KEEP YOUR CHILD HOME AS MUCH AS POSSIBLE UNTIL THE COUNTY HEALTH DEPARTMENT HAS LIFTED ALL WARNINGS.

San Diego Unified Food Services will set up at various community locations and serve free Breakfast and Lunch during the time of school shut down. We will post the locations, serving times and dates on the website as they become available. Our Administrative Team will continue to monitor the situation and provide updates as necessary. If you have questions about these topics, please email your child's teacher or questions@preuss.ucsd.edu.

Please Be Well,
