**Chelsea's Light Inspirational Quote of the Day in honor
of October being LGBT History Month:
We all want to be loved. We all want to feel accepted.
We all want to feel content. And life is hard.
-Hayley Kiyoko- actress, singer, and LGBTQ Activist**

SAT WORDS: benevolent (adj.) marked by goodness or doing good

October is LGBT History Month, which is in observance of lesbian, gay, bisexual and transgender history, and the history of the gay rights and related civil rights movements.

Today we will highlight an exceptional LGBT historical figure, George Chauncey. He is an American historian that established the field teachings of U.S. LGBT History. He did this by serving as an expert witness on over 30 court cases involving gay rights and marriage equality. This eventually led to the Supreme Court cases that legalized same sex marriage.

To learn more about LGBT rights and historical figures, we invite you to join the **Gender Sexuality Alliance Club during high school lunch in B102** for more information. This club is a safe space open for everyone! (End Date: 10/17 Olsen)
