**Chelsea's Light Quote of the Day:**

**Seek patience and passion in equal amounts. Patience alone will not alone build a temple. Passion alone will destroy its walls.**

**-Maya Angelo**

**SAT WORDS:** apocryphal (adj.) being of questionable authenticity

**RKHS Historical Committee- "This Day In History" Fact of the Day:**

Francis Crick and James D. Watson published their findings of the double helix structure of the DNA molecule.

**Dreamers Club Awareness Daily Posts:**

Millions of U.S. citizens live with at least one family member who is undocumented.

**Attention all scholars:**

Please check out the [Weekly Wellness Newsletter](#) created by The Preuss School counselors.

**Attention all students:** April is National Poetry Month! Please enjoy a poem each day in the bulletin in order to celebrate this wonderful thing that is poetry! Happy reading!

**It Might Have Been by Ella Wheeler Wilcox**

We will be what we could be. Do not say,  
"It might have been, had not or that, or this."  
No fate can keep us from the chosen way;  
He only might who is.

We will do what we could do. Do not dream  
Chance leaves a hero, all uncrowned to grieve.  
I hold, all men are greatly what they seem;  
He does who could achieve.

We will climb where we could climb. Tell me not  
Of adverse storms that kept thee from the height.  
What eagle ever missed the peak he sought?  
He always climbs who might.

I do not like the phrase, "It might have been!"  
It lacks all force, and life's best truths perverts:  
For I believe we have, and reach, and win,  
Whatever our deserts.
