When you stop hoping you start settling.  
-Valerie Burton**

**SAT WORDS:** trenchant (adj.) having keenness and forcefulness and penetration in thought, expression, or intellect

**Attention all students:** April is National Poetry Month! Please enjoy a poem each day in the bulletin in order to celebrate this wonderful thing that is poetry! Happy reading!

**i carry your heart with me by E.E. Cummings**

i carry your heart with me (i carry it in  
my heart) i am never without it (anywhere  
i go you go, my dear; and whatever is done  
by only me is your doing, my darling)

i fear

no fate (for you are my fate, my sweet) i want  
no world (for beautiful you are my world, my true)  
and it's you are whatever a moon has always meant  
and whatever a sun will always sing is you

here is the deepest secret nobody knows  
(here is the root of the root and the bud of the bud  
and the sky of the sky of a tree called life; which grows  
higher than soul can hope or mind can hide)  
and this is the wonder that's keeping the stars apart

i carry your heart (i carry it in my heart)
