Attention all scholars:
Just a reminder, masks are mandatory for all, no matter a person’s vaccination status here at The Preuss School. If any student has questions or if you have questions about the policy please see The Preuss School Website. All students and adults should wear their masks at all times.
Below is the wording that is on our website:

Masking
Regardless of vaccination status, the current policy at UC San Diego requires that everyone must wear a mask indoors. This includes all indoor settings including public transportation and school buses, (including any UC vehicle transporting employees or students from different households).

For outdoor settings, face coverings will be required for all individuals, at all times, except when eating.

All campus members and visitors should have a mask with them at all times while on campus. If a campus community member or visitor does not have a face covering while on campus, they will be provided with one. University guidance will continue to evolve as Federal, State and County guidance is modified in response to the current health environment.
