Daily Bulletin "A" Day
Monday, February 7, 2022*

Chelsea's Light Quote of the Day:

Be an encourager: When you encourage others, you boost their self-esteem, enhance their self-confidence, make them work harder, lift their spirits and make them successful in their endeavors. Encouragement goes straight to the heart and is always available. Be an encourager. Always.

-Roy T. Bennett

SAT WORDS: diligent (adj.) showing care in doing one's work

RKHS Historical Committee- "This Day in History" Black History Month

Maria P. Williams is known as the first Black woman to create and act in her own movie. Although Hollywood excluded Black women in their films at the time, she was able to succeed in making her own which led to many Black women becoming producers, directors, actors, etc. in today's world.

This week is National Counselors Week! Thank you Preuss counselors for all your hard work and dedication. We appreciate you!
