**Attention all scholars:**

Starting May 1, all riders 18 and under can ride MTS and NCTD services free through SANDAG Youth Opportunity Pass pilot program. To be eligible for the Youth Opportunity Pass, riders 18 and under must have a Youth PRONTO app account, or a PRONTO Youth card, and travel with proof of eligibility. (Kids 5 & under ride MTS and NCTD free when accompanied by a fare paying adult, and do not need a card or proof of eligibility.) The Youth Opportunity Pass pilot program ends June 2023.

Students who have already a Youth PRONTO app or card can keep using the same app account or card. Starting May 1, when they tap or scan their app, their rides will be registered as a free trip under the Youth Opportunity Program. (Students must tap or scan every time they ride, including transfers. Students who do not have an existing Youth account with PRONTO can participate in the Youth Opportunity Pass program in a few simple steps:

**App:**

1. Download the PRONTO app on your [Apple](#) or [Android](#) device.
2. Create a virtual card.
3. Convert your card to a Youth account online, over the phone (619-595-5636) or in -person (MTS Transit Store, NCTD Customer Service Centers). (Accounts converted online will be processed the next business day.)

**Card:**

Get a [free Youth PRONTO card at an MTS outreach event](#), or the MTS Transit Store or NCTD Customer Service Center. There are no fees for these Youth cards April 1 through May 31, 2022. (While supplies last. Limit one per youth and/or guardian with valid youth ID.)

At this time, there are a limited number of free Youth PRONTO cards available for pick-up through April and May. Whenever possible, new Youth riders are encouraged to download and the PRONTO app, converting it to a Youth account online or over the phone.

**Attention all scholars:**

Masking is required for our students assigned to transportation. Students need to wear mask when they arrive to the bus stop and while riding the bus. ***Do not forget*** to grab a mask before you leave home. Drivers do not always have extra masks. Please make sure you follow the school protocols of masking on the bus. Masking is one of the most effective ways to reduce the spread of the COVID-19 virus. Thank you.

(End Date: 6/16/22, Mrs. Villanueva)

**Attention all scholars:**

You may have noticed a bunch of white buckets around the amphitheater. Please help by putting all food waste into these buckets. Please remove any wrappers before placing food inside. This food waste is being turned into compost by the Ecology Club students. If you have food that someone else can eat (whole fruit, unopened packaged food that is not perishable/needs to be refrigerated) you can put that into the black bins in the amphitheater. If you need a bucket for the area you usually have lunch in, talk to club members, officers: Angelina Gonzalez, Briseida Aparicio-Najera, Yesenia Preciado, Henry Huynh, Jasmine Mejia) or Mrs. Petraglia---Thank you all for your support!

(End Date: 6/16/22, Petraglia)
