Happy Wednesday, Scholars! Remember the Preuss way is kindness, respect, and excellence. Have a great day!

QUOTE OF THE DAY:
"Keep your face always toward the sunshine - and shadows will fall behind you."
-Walt Whitman

SAT WORD
Jocular(adj): humorous or playful

important reminders:

- Hats and unapproved headwear are not part of the Preuss Dress code. Please keep all items at home or you may risk them getting confiscated at school. Please see the front office if you have any questions or need an exception.

- Students that do not have their re-enrollment packets COMPLETE and turned in have been placed on the "no-activities" list until every part is submitted to the front desk.
On December 14, 1972, two men, Harrison Schmitt and Eugene Cernan, were the last astronauts to walk on the moon during the Apollo 17 mission. Apollo 17 is also the last Apollo program to explore the moon's surface.

Love a Llama Fundraiser

No good deed is too small and anyone can make a difference this Winter Season! You can help give the gift that changes lives by giving a $1, $2 or $5 dollar donation for the Love a Llama/Alpaca fundraiser during middle school and high school lunches!

**Why do we buy a llama?** Together with Heifer International, whose mission is to help combat world hunger and poverty, the Spanish National Honor Society is taking donations to help a family in need.

Llamas/Alpacas can help struggling families in the Andes make a livelihood by:
- Being excellent home guardians—llamas and Alpacas scare off predatory animals that threaten to eat other farm animals.
- Providing warmth—llamas and Alpacas have prized wool that can be used to make clothing and blankets that can be sold at the local markets.
- Llamas aid families in the Andean Communities with transportation in severe climates and terrain and carrying crops to markets. Since they are soft-footed animals, they can help with the harvesting of the crops and do not trample on farmers’ crops with their feet.

Giving a donation at the llama/alpaca table during lunch could be the difference between a child’s family having the money to be able to afford an education or books for school. Everyone is invited to donate at the llama/alpaca table. We will have llama pins, socks and other llama/Alpaca themed goodies. This Winter Season no gift is too small and together we can give the gift that changes lives!
UNTITLED STUDENTS AND ALLIES CLUB

PREUSS INSIDER
Attn: all middle and high school students: WE HAVE MOVED SANTA! Visit preussinsider.com, read our newest stories, and when you see the graphic of SANTA, come to E201, Ms. Garcia's room and let me know where you found him! The first FIVE students who find SANTA's new spot on The Preuss Insider website will receive a prize. Arrive prepared to answer some questions about the article in which you found SANTA. Congratulations to Jashleen C, Lea R, Yeshua M, Ruach B, and Yared F, who were the first students to spot Santa! Round two has started!

TSU-NAMI

tsu-nami quote of the week:
"You are not your illness. You have an individual story to tell. You have a name, a history, a personality. Staying yourself is part of battle."

Rapid Antigen Test Distribution For Return From Winter Break

In order to assist with early detection of COVID-19, our school has received a small shipment of Rapid At-Home Antigen Test Kits for immediate distribution. The test kit provided is Flowflex. Each student will receive 1 test kit. Each kit contains 2 tests. Tests will be distributed to students during advisory classes prior to Winter Break.

Each student will be issued one free Flowflex test kit, which contains 2 tests for use on: Monday, January 2nd and then 2 days after the return to campus on Wednesday, January 4th. Please allow approximately 30 mins to complete the test. For more detailed instructions, please view the following video: Flowflex test instructions

Masking Update

Per UC San Diego, the masking mandate for instructional settings and Triton transportation will be suspended and masking will be optional in classrooms, labs and on Triton transportation beginning Dec. 16, 2022. UC San Diego public health experts still recommend wearing a mask in public settings, especially indoors, as masking provides substantial protection from infections caused by SARS-CoV-2, flu and other respiratory viruses. Masking will remain required in the Preuss Health Office.

We will continue to monitor viral activity during the Winter Quarter. Should public health conditions warrant, UC San Diego may re-enact a masking mandate at a later date.
