If you encounter ICE on the street

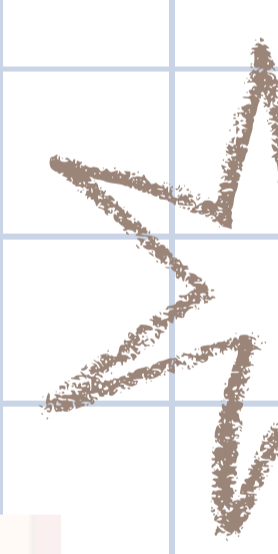

- NOT required to stop and talk with them, answer questions, or show documents
- Say " I know I have the Right to Remain Silent"
- Am I under arrest or am I free to go?

If ICE comes to your home:

- Don't open the door. Ask them, with the door closed, "Do you have a warrant?"
- Have them slide the warrant under the door. The warrant must be signed by a judge and have the correct name and address.
 - If they do enter, you have the right to remain silent and the right to speak to a lawyer.
 - Do not sign any document.

EXPLANATION OF WARRANT NEEDED

- A phrase to practice is: "I'm not sure what this is about, but I know that I have the right to remain silent"
- Calmly and respectfully ask "Am I under arrest or am I free to go?"
- Kindness goes a long way with ICE and police
- Avoid taking risks and being in the wrong place at the wrong time
- Remain respectful and calm

Musical Fact of the Week

Musical Fact of the week

METALLICA

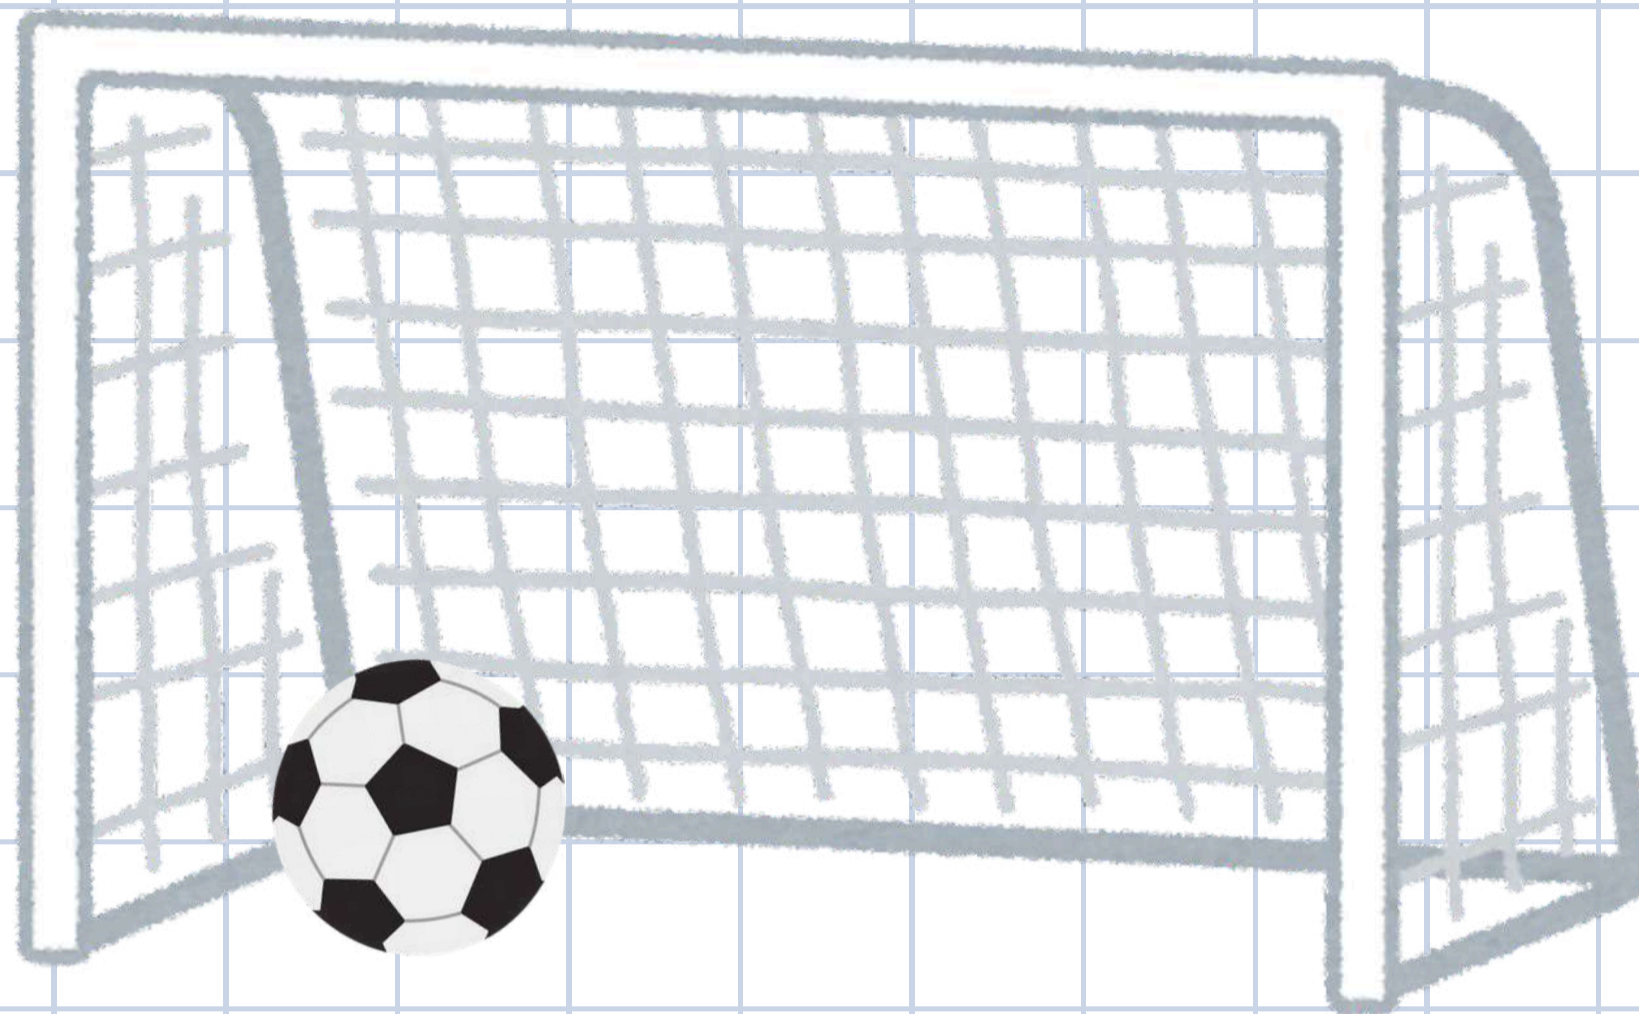

Background:

Metallica is a group formed in 1981 in Los Angeles by drummer Lars Ulrich and vocalist/guitarist James Hetfield. Metallica is a pioneering American heavy metal band and one of the "big four" of thrash metal. Known for fast, complex, and aggressive music, they achieved massive commercial success with albums like *Master of Puppets* (1986) and the *Black Album* (1991).

Fact

Metallica holds the distinction of being the first and only band to perform on all seven continents, achieving this milestone after playing a concert in Antarctica in 2013. This remarkable feat added to their legacy, covering all geographical regions of the world.
