Committees

Hospitality

Hospitality always needs more help.

- This group is responsible for greeting parents and making parents feel welcome.
- They are also responsible in organizing parents who make and sell the food at our Saturday meetings.

Hospitality

- We are always open to ideas about what food to make and sell.
- We would like to have a group of people who can share this job as it can be a lot of work.

Dinner and Dance

The PTA Sponsored Dinner and Dance is on Saturday, April 21, 2018.

- This is our biggest fundraiser of the year.
- It takes us months to plan for.
- We need lots of help for this event.
- This year we will also be offering childcare since this is adult only event.

Dinner and Dance

This is a big job and could use lots of help!

What does this committee do?

- In December we start sending out donation requests.
- We use these items for raffles and silent auction prizes.
- We continue to send out donation requests until March.

Dinner and Dance

- In February we get 1,800 flyers printed and get them ready to be sent home in March
- We repeat this process again in April so parents can buy their tickets.
- We are also looking for anyone who would like us help decorate or has decorations that we can use.
 - Table cloths, Flowers, vases, party props, pretty much any ideas are greatly appreciated.

Dinner and Dance

- In April we need to start putting silent auction baskets together.
- We also need of help with the raffle bags.
- We need appetizers and desserts for the night of the event.
 - Anyone interested in donating please let us know
- We also need help to decorate and set up the night before.
- And we need help to clean up after the event.

Dinner and Dance

This event is on Saturday, April 21st 2018

- This event is very important fundraiser that helps fund school activities and excursions for all Preuss students.
- Please help.

Membership Committee Responsibilities

- Promote PTA – especially early (Aug. / Sept. / Nov.)
- Collect Dues
- Distribute Membership Cards
- Give membership report
- Maintain updated list with members

Teacher and Staff Appreciation Breakfast

- Friday, May 25, 2018
- This is the day we give our teachers and staff a **HUGE THANK YOU** for everything they do for our kids.
- We need food donations

Teacher and Staff Appreciation Breakfast

- We need volunteers to help with making decorations, centerpieces, and little give aways for the teachers
- We also need help with setting up, decorating, and clean up
- A few volunteers are needed to help organize those parents that will cook and donate food.
- This event is very special so the teachers know how much they mean to us.

Senior Class Parent Representative

- Fundraising for the Senior Class Trip
 - June 26, 2018
 - Location TBT
 - (Typically it's been Six Flags Magic Mountain)
- Senior Class fundraising opportunities:
 - Selling at the Science Festival and the Spring Learning Showcase.
 - In the past they've sold Tostilocos, but I'm open to suggestions.
 - We will need donations of supplies and volunteers to help sell.
- We are also planning a fundraiser at Chipotle.
- If you have any suggestions on Fundraisers or are able to donate your time or supplies please contact the PTA.

AUTOMOTIVE TECHNOLOGY

The curriculum is certified by NATEF (National Automotive Technician Education Foundation) and it includes intensive training in the classroom, in the shop and in the industry.

Toyota and Honda are key partners, working with San Diego Miramar College to coordinate training in the San Diego region; working as an intern gives you competitive edge, AND you can earn cash and college credit while you learn the technician skills of the auto service industry.

The program provides training for state licenses as well as for each of the areas tested for National Institute for Automotive Service

AVIATION MAINTENANCE TECHNOLOGY

AIRFRAME Program Information:

- ❖ Miramar College maintains a (FAA) Federal Aviation Administration, Federal Aviation Regulation (FAR) Part 147 approved Aviation Maintenance Technician Program that leads to an FAA Mechanic's Certificate with an Airframe and Powerplant Ratings.
- ❖ The program is designed to allow the student majoring in Airframe and Powerplant to complete the required minimum of 1,900 hours of instruction in five semesters.
- ❖ Upon completion of the Airframe and/or Powerplant program, students will be qualified to take the examinations given by the FAA.
- ❖ IN ORDER TO OBTAIN a Mechanic's Certificate for Airframe and/or Powerplant Ratings, students must see that *arrangements are made with the local FAA District Office to take the appropriate oral/practical exams.*
- ❖ Internships: Delta, Hawaiian and Alaskan airlines

AVIATION OPERATIONS

- ❖ This Program integrates simulator flight training with rigorous academic study, providing a strong foundation for leadership position within the aviation industry.
- ❖ Flight Training: pending Aviation Operations Program Director review and approval, a student awarded a Miramar College Certificate of Performance for an academic phase of ground instruction who subsequently earns the associated FAA certificate of rating can request that 3 units of credit be awarded for that flight training. **As a result, it's possible for a student to earn up to 12 units at Miramar College for flight training.**
- ❖ Transfer: Common university majors related to the field of Aviation Operations include: Aeronautical Science and Engineering, Aviation, Aviation Administration and Professional Aeronautics.

CNG & DIESEL TECHNOLOGY

- ❖ There are three tracks which lead to a Certificate of Achievement and to an Associate of Science degree.
- ❖ Clean Diesel, CNG, and LNG technicians need a strong understanding of clean diesel and alternatively fueled commercial trucks and equipment.
- ❖ They are employed by truck and heavy equipment dealership; engine, equipment rental, bus, truck leasing, and marine companies; and with military, federal, state, and local governmental agencies.
- ❖ Program is about two years.
- ❖ The program uses top-of-the-line tools and equipment, prepares students for employment as a heavy-duty Clean Diesel, CNG, and LNG technician, and introduces you to quality workmanship, safety procedures, professional work attitudes, theory of operation, and repair of all major vehicle components.
- ❖ Students learn about the most popular types of truck, marine, and heavy duty equipment clean diesel, CNG, and LNG engines and specifically the four factors of each type:
 - Disassembly
 - Inspection
 - Reassembly
 - Dynamometer
- ❖ Students will also learn about:
 - Fuel management systems; heavy duty transmissions and clutches, drive axles, air brakes, air brakes, suspensions, electrical, electronics, hydraulics; failure analysis, and troubleshooting.

POLICE ACADEMY

- ❖ The San Diego Regional Public Safety Training Institute (SDRPSTI) is part of the Public Safety program at Miramar College. This program follows the guidelines of the California Commission on Peace Officer Standards and Training (POST) and serves law enforcement agencies throughout San Diego County and beyond. The regional academy provides recruits with the skills, practical training, and discipline to prepare them for a long and rewarding career in law enforcement.
- ❖ Recruits/students attend the academy Monday through Friday, eight hours a day, for 25 weeks. Students attend classroom lectures and participate in technical skills training throughout this period. The Recruits/Students also must participate in concentrated and intense physical conditioning classes.
- ❖ Students must successfully pass POST examinations during the training to continue and successfully complete the academy program. Upon graduation, recruits receive a completion certificate from the San Diego Regional Public Safety Training Institute at Miramar College.
- ❖ After a graduate has completed one year of satisfactory service with a law enforcement agency, their employing agency may apply for the employee's Basic POST Certificate from the Commission on Peace Officer Standards & Training.

FIRE TECHNOLOGY & EMT

Miramar offers a two-year program that's nationally recognized. The program trains individuals to perform rescues and protect lives and property from fire. The Fire and EMT training center benefits 50 departments countywide.

Fire Technology used to be one of the original programs provided back when Miramar College was a public training facility in 1969. A decade ago, the program was relocated to the Naval Training Center (NTC) at Camp Nimitz. Thanks to the passage of two local bond measures, it has been brought back.

- ❖ Provides emergency medical care and transportation to the ill and injured.
- ❖ High Demand into areas of allied healthcare.
- ❖ Required in most job positions.

The background is a vibrant autumn-themed illustration. It features a variety of leaves in shades of orange, yellow, and red, some with green tints. Interspersed among the leaves are clusters of small, bright red berries on green stems. The overall composition is dense and colorful, with a warm, seasonal feel. At the bottom of the image, there are two rolling green hills. The text is centered within a yellow rectangular frame that has a thin brown border.
