Congratulations to The La Jolla Golden Triangle Rotary Club Student of the Month!

(October 2021 – March 2022)

- The La Jolla Golden Triangle Rotary Club has been awarding a student of the month recognition to graduating seniors at Preuss for many years.
- Each month a student is nominated by their advisory teacher to receive the award.
- The recognition is based on 2 criteria: The student has greatly increased their grades over the 4 years of high school, and, since we are a service organization, the student has been involved in service to their school and community.
- Typically, the recipients have struggled at the beginning of high school for any number of reasons, but have turned things around. The students receive the award both at our Rotary Club meeting, and, again in their advisory class.
- At the end of the year, the 8 or 9 recipients are interviewed and several scholarships are awarded based on where the money would make the most difference.
