Applying for or receiving CalFresh does not affect your ability to:

- Obtain a Permanent Legal Resident Card
- Keep your Permanent Legal Resident Card
- Become a U.S. Citizen

Mixed Status Household are Eligible

Example: A family of 4 with 2 undocumented parents and 2 children who are U.S citizens, can apply on behalf of the children. The county needs the income and household information from the parents to determine eligibility, but this information is not shared with immigration services.

*El condado no comparte información con los servicios de inmigración.

Solicitar o recibir CalFresh no afectará su estatus migratorio legal para:

- Obtener su Tarjeta de Residencia Permanente Legal
- Quedarse con su Tarjeta de Residencia Permanente Legal
- Hacerse Ciudadano de los Estados Unidos

Ejemplo: una familia de 4 que tiene 2 padres indocumentados y 2 hijos ciudadanos estadounidenses. Congratulations to The La Jolla Golden Triangle Rotary Club Student of the Month!

(April & May 2022)

- The La Jolla Golden Triangle Rotary Club has been awarding a student of the month recognition to graduating seniors at Preuss for many years.
- Each month a student is nominated by their advisory teacher to receive the award.
- The recognition is based on 2 criteria: The student has greatly increased their grades over the 4 years of high school, and, since we are a service organization, the student has been involved in service to their school and community.
- Typically, the recipients have struggled at the beginning of high school for any number of reasons, but have turned things around. The students receive the award both at our Rotary Club meeting, and, again in their advisory class.
- At the end of the year, the 8 or 9 recipients are interviewed and several scholarships are awarded based on where the money would make the most difference.
