About The Preuss School UC San Diego

The Preuss School UC San Diego is a public charter school providing an intensive college preparatory educational environment for low income students who represent the first generation in their families to graduate from a four-year college or university. Through the application of rigorous teaching, a single track college preparatory curriculum, and a number of student supports including our seven year advisory program, the Preuss School UC San Diego's mission is to create a highly enriched middle and senior high school instructional environment that will prepare graduates to distinguish themselves academically, and thus be competitive for admission to the University of California and other selective institutions of higher learning.

The Preuss School UC San Diego was founded in 1999 by the Chancellor of the University of California San Diego, based upon the Charter's agreement with San Diego City Schools. Our location is on the UC San Diego campus, giving students ready access to a variety of learning opportunities available at the university, including research, internships, cultural events, and service learning.

The Preuss School UC San Diego began in the Fall of 1999 with 150 students in grades 6-8. Currently the school has 853 students, in grades 6-12. The student body is ethnically diverse and lives throughout San Diego County (representing over 40 different zip codes). Students ride multiple modes of transportation to commute from distant neighborhoods in San Ysidro, Chula Vista, La Mesa, Linda Vista, and other mid-city or Southeast San Diego County locations.

The Preuss School UC San Diego provides an environment in which students are continually encouraged and empowered to develop a greater sense of self actualization and a sense of pride in their academic accomplishments. The Preuss School UC San Diego fosters a culture of high academic performance in an environment that encourages risk-taking. Students are taught the art of questioning as well as logical and critical thinking. The Preuss School UC San Diego also sees as its mission, the development of personal character, healthy lifestyles, good judgment, and ethical behavior. It is further recognized that students' families, community institutions, and the School share responsibility for encouraging young people to develop both as scholars and as citizens.

The Class of 2022 was particularly affected by the COVID-19 pandemic as our school entered remote learning in March of 2020. The Class of 2022 began attending school remotely in Spring of their 10th grade year, and then returned to in person instruction in August of 2021. The College Board has not provided all AP scores at the time of this report's release.

School Population

Total 852 Students in Grades 6-12
100% of students receive Free/Reduced Price Lunch

Hispanic	55.63%
African American	16.78%
White	1.64%
Asian	16.78%

336 AP Students with total of 739 AP Exams taken in 17 subjects
22% of exams received a score of 3 or higher
66% of students received a score of 3 or higher on at least 1 exam

35 AP Scholars
13 AP Scholars with Honor
AP Equity & Excellence graduating class summary 89.9%

Class of 2021 Average Test Scores and GPA

* Due to the COVID-19 pandemic, not enough data was available to report average SAT and ACT test score information for the Class of 2021.

9-12 Total Weighted Cumulative GPA:

Average Overall Total GPA: 3.73

Highest GPA: 4.30 Mean GPA: 3.73
Lowest GPA: 2.48 Median GPA: 3.84

Grading Scale and Policy on Class Rank

A = 4.0	The Preuss School does not report class rank.
B = 3.0	Since the senior class size is small and all students are enrolled in a rigorous college preparatory program, the school believes that class rank is not a meaningful predictor of college academic potential and future success.
C = 2.0	
D = 1.0	
F = 0.0	
No Grade (NG) = 0.0	*NM grade was introduced as part of the No Harm grading policies to support students through the pandemic and remote learning.
No Mark* (NM) = 0.0	

Transcript Explanation

Each student takes a minimum of 8 full-year courses every year. Preuss operates on a semester system with each course earning a total of 10 credits per year. Letter grades of A, B, C, D, F, No Grade (NG), or No Mark (NM), can be awarded. Students may repeat A-G core subject courses to replace a D or F grade, based upon availability of courses. AP courses receive a weighted grade when A, B, or C is earned. Academic GPA for grades 9-12 and grades 10-12 are noted on the transcript, as well as total GPA for grades 9-12 which includes all courses.

Curriculum

The Preuss School offers only one curriculum designed for students to meet the University of California's "A-G" requirements. There is no general or vocational track. All high school students take four years of mathematics, four years of English, four years of science (students can only take one among the three AP science courses offered), Spanish up through AP Spanish Language, four years of history/social science, and three years of college preparatory electives including Visual and Performing Arts. All students are enrolled in University Prep Advisory every year, transitioning to UC San Diego EAOP Junior/Senior Seminar in 11th and 12th grade. All advisory activities are geared toward personal development, social and emotional wellness, college and career preparation and exploration, literacy and mathematical skill reinforcement, preparation for standardized testing, and college application and admission. All students enrolled in an AP course are required to take the AP Exam. Only students making up deficient grades in core academic classes may take APEX courses, our credit recovery program, which includes a combination of online and in-class instruction.
