MAY/ JUNE 2018 EDITION

A Message from the Principal-Director Scott Barton

Dear Parents:

The 2017-2018 school year is coming to an end quickly. This year has been an exciting and constructive year for Preuss students, parents, faculty, and staff.

On May 9, 2018, **U.S. News & World Report** published their Best High Schools in the nation by collecting data from 22,000 public high schools throughout the nation. They ranked Preuss as the #76 Best High School in the Nation, #6 in California, #1 in San Diego County, #25 Best Charter School in the Nation, and #4 Best Charter School in California. Preuss also received a Gold Award designation, based on performance on state assessments, graduation rates and college preparation. Congratulations to all of the Preuss community for this award.

The Preuss School charter was up for renewal this year and we are happy to announce Preuss was granted a five-year renewal. The San Diego Unified School District (SDUSD) voted to approve the Preuss renewal on May 15, 2018. Thank you to all of the parents, students, faculty and staff who came to support Preuss at the public hearing on April 3, 2018 and throughout the renewal process.

Friday, April 20, 2018 walkouts were held across the nation in honor of the 19th Anniversary of the Columbine High School shooting. Preuss students chose to stay on campus to participate in "A Call for Change" day creating change for a better future. ASB President Nina Do organized the event, inviting community leaders and elected officials to participate by speaking to Preuss students. Omar Passons, candidate for District 4 County Supervisory seat, and a representative from Rep. Scott Peter's Office spoke to the students about their ability to influence policy issues or an election. Students from San Diego State volunteered their time to pre-register and register Preuss students to vote. Preuss students also phoned and sent postcards to members of Congress and State Legislators to express their concerns about gun violence and other issues. We are very proud of our Preuss students!

Message from Mr. Barton continued

Preuss students continue to earn scholarships, recognitions, and awards. This year five seniors were awarded the \$1,000 Ford Salute of Education Scholarship; one is a recipient of the Brad Fowler Memorial Scholarship. More scholarship recipients will be announced at The Salute to the Stars of 2018 (senior awards ceremony), on June 20, 2018, 6:30-8:30pm.

The Class of 2018 is looking forward to graduation and their futures. As of May 10, 2018, seniors self-reported that 100% of them have been accepted to a four-year college or university. 42 were admitted to at least one UC school, 40 were accepted to at least one CSU campus, and seven were admitted to at least one private college or university. Six seniors will attend San Diego Community Colleges with plans to transfer to a four-year university. 32 out of the 37 who were accepted to UC San Diego will be attending. 31 seniors will receive the Chancellor's Associates Scholarship and will attend UC San Diego. The Class of 2018 has worked hard to achieve their goals and we are excited for our seniors. Congratulations Class of 2018.

The Annual Parent Dinner Dance was held on Saturday, April 21. The event successfully raised \$2,500 for our transportation needs. A big thank you to parent Aimee Leal for the outstanding job she did coordinating the event and making the beautiful baskets with donated items for the silent auction. The Puente family donated and cooked the entire meal again this year, which consisted of salad and chicken parmesan. Many thanks go out to the Puente family for their continued support and help to make the dinner dance a success. Thank you to Javier Morales for being the DJ for the evening. Thanks to all of the parents who helped organize the event, those who set up and cleaned up, and to all of you who support the event by donating money and attending the event.

Transportation donations have been collected throughout the school year. Parents have contributed weekly, monthly, and in one full amount. Donations for transportation have fallen by 48% since 2012-2013. Many families are not donating to support student transportation. Please be reminded that Preuss spends more than \$1million a year to transport our students to and from school.

If you have not donated, please consider contributions to our transportation fund. Transportation donations will be collected next year also. Donations make buses for all students possible. Without donations busing may be eliminated. Please submit your donations to the front office.

The month of May is very important testing time for The Preuss School. Our high school students have taken their Advanced Placement (AP) Exams. All students, except seniors and ninth graders, will be taking Standardized Tests (CAASPP) on May 23, May 24, May 30, and May 31. These tests are extremely important for your student and our school. I encourage you to speak with your son/daughter about taking these tests very seriously. It is also important that students are not absent or tardy during tests dates and they get a good night's sleep and eat a healthy breakfast. Parent support and student attendance is vital and will continue to assist our students in preparing them to be at the top of their game. Thank you for your support.

June is almost here. It will be a busy and exciting month with many events happening. The month begins with the Spring Learning Showcase on Thursday, June 7. All 6th, 7th, 9th, 10th, and 11th graders and their parents are expected to attend the Spring Learning Showcase, which opens with a PTA dinner at 6:00 p.m. and exhibitions at 7:00 p.m. Parking will be free to families in Lot P703 and P704. Another important event will be Senior Exhibitions, held on Wednesday and Thursday, June 13 & 14. Parents should check with their students for the dates of all the activities. The monthly events calendar will be sent home early in June with a complete list of activities. Take a moment to review the daily bulletin and the monthly calendar on The Preuss School website <http://preuss.ucsd.edu/>.

Summer School will be the following dates: June 27-29, July 2-3, 5-6 and July 9-12 from 9:00am-3:30pm. The classes will meet four days a week. History and English will be offered during summer school. This opportunity is important to keep students on track to be UC/CSU eligible. Breakfast and lunch will be provided. Transportation will be available and the stops will be the same as SEA Saturdays.

Message from Mr. Barton continued

With summer around the corner, it is important for students to continue to work right up to the last day of school. Our longer year is the main reason for our success. With your support and encouragement for your child to attend school every day, we can keep our students on track.

Have a wonderful, safe and restful summer! We look forward to seeing all students back at school on Monday, August 13, 2018. Remember, all students must return on August 13. Picture day will be August 16 and 17. Please plan your vacations so that students do not miss any school. Your support is appreciated.

Sincerely,
Scott Barton
Principal/Director

NEWS FROM THE PTA PRESIDENT Yesenia Valdelamar

Dear Preuss Parents:

The 2017-2018 school year is almost at its end, and I am sure you all are looking forward to a wonderful restful summer. I want to thank you for all of your continued support. The key to the success of your student is parent involvement, and we were very fortunate to count on your participation at our school programs and events. Thanks to your support, PTA will give back all your contributions to our students. Thank you again for your help and involvement!

- Membership: Last year we had 103 paid PTA members, as reported to council. This year we have 170.
- Parent Dinner Dance. We netted \$2, 200 for our kids!
- Spring Learning Showcase is Thursday, June 7, 2018. We will need parents to help sell food that night from 6:00–7:00 pm
- End of the Year Housekeeping: Year end Audit Historian Report, Secretary's book to be completed, and Treasure's book.
- This year the PTA will host the Senior Dinner for the Class of 2018. The event will take place in the school campus on Thursday, June 21, 2018. Parents can donate gift cards to be raffled to the students the night of the dinner. We are looking for gift cards for movies, coffee, or food, and drinks. If you would like to donate or have any questions you can contact Aimee Leal at aimeeleal@yahoo.com
- Do you have Facebook? Please "like" The Preuss School UCSD PTA.

PARENT VOLUNTEERS NEEDED

For Teacher and Staff appreciation Breakfast
May 25 2018, 8:00a.m. – 10:00a.m. in the Walton Center

We want to invite you to join the PTA in putting together a breakfast to honor the teachers and staff at Preuss for all the hard work they do throughout the year. We know many of you are wonderful cooks and we invite you to bring in a special dish to share. Help with donation or to serve breakfast. Donations requested include: breakfast foods, pastries, and homemade dishes.

Whispers from the Copley Media Center

Summer Reading is in the Air!!

We have eBooks available through Overdrive to all of our students through the library page on The Preuss School UCSD website. All the students will need their student ID, a computer, tablet device, smartphone or MP3 player. A great way to pass the summer and not worry about incurring any fines! Additionally, we have free access to eBooks through openebooks.net. Please ask the librarian for a sign up code for first time users. Finally, AudioFile presents SYNC: Young Adult Literature for your Earbuds. For alerts on free audiobooks text syncYA to 25827. Each week two audiobooks are given away for free all summer long. Visit AudiobookSync.com for more information.

We have one last event for the school year. We will be hosting a Scholastic Book Fair here in the library. It will run from June 4 through June 8. It is a BUY ONE GET ONE FREE EXTRAVAGANZA. The Fair will be open the night of Spring Learning Showcase. A great time to get some good summer reads. If you are interested in being a volunteer, please see Parent Square.

Your local Public Library will be hosting a summer reading program. Check <https://www.sandiego.gov/public-library> for details.

The last three years we have had many parents help go through each and every textbook to make sure markings were erased, pages were taped and the covers were cleaned. At the beginning of this year, we announced to all students if there was any damage in their textbooks to bring it to our attention, so we could mark it down or else they would be held responsible for the damage. **We will be charging students at least \$5.00 if the damage is beyond the normal wear and tear.** Encourage your sons and daughters to go through and remove any papers/post-its, erase any pencil markings or pictures and white out any ink markings that should not be there. It is important that every student treat all their textbooks with care and respect so that future classes will have access to good quality books.

All 12th and 8th grade students must turn in all library and textbook materials and pay all fines before they will be allowed to receive their diploma or participate in "Celebration of Learning" ceremonies. Any student not able to pay may volunteer hours in the library to clear their account. If you have any questions about lost textbooks or library books please call us (858-822-2150). We can let you know how to take care of this matter. Thank you for your cooperation.

All library materials (does not include textbooks) are due by Friday, June 15th. No book checkouts allowed after this date. Summer Assigned Reading books will not be checked out until student's account is clear. All textbooks are due by the last day of school.

Sincerely,

Karen Nance and Maria Gonzalez

HAVE A GREAT

Healthy Ideas from your school nurse

End of the year tasks:

The end of the school year will be here soon. If your child has medication at school, the medication needs to be picked up at the end of this school year. Please pick up a new doctor's school order form for the next school year. (A new doctor's order form is required for each school year). This applies to inhalers, prescribed medications, Epi-Pens and over the counter medications. (A yearly health exchange form with OTC permission will be sent out and needs parental signature in order for your student to receive OTC medication such as Tylenol, Ibuprofen, Tums, etc.)

By being prepared for any medical needs your child's health, safety, attendance and success at school can be at its optimal level. Did you know that approximately 25% of initial anaphylactic allergic reactions happen at school? It is extra important to have an allergy plan and medication at school to be prepared for emergencies. See the nurse for "school anaphylaxis action plan".

The month of May is asthma awareness month. Having an asthma action plan along with medication at school can be lifesaving and promote good school attendance. Knowing and avoiding asthma triggers and having knowledge about asthma is critical. See the nurse if you would like more information or support.

Health promotion: "Healthy children perform better at school"

Parents can promote good health habits and preventive health practices by setting up their teen yearly physical and or sports physicals for the summer break (appointments fill up fast). The yearly physical exam is great as a screening tool for any medical concerns as well as screening for any vision/hearing deficits and dental needs. The doctor can promote health by referring to the appropriate services your child may require as well as managing any significant health conditions to keep your child healthy. Certain communicable diseases can be prevented by following immunization recommendations and requirements. These vaccines can be administered at the yearly check up or through the local health department. Please see the nurse if you would like additional resources or information. *Call 1-800 675-2229 to find a physician participating in the free CHDP physical program.* Please note the toll free line 211 has resources r/e health and disaster services ([includes information on nutrition, diabetes, healthy weight and physical activity](#)) and many other resources such as food, housing and financial assistance, employment services and many more services for your child and family. If you need assistance in obtaining insurance for your child please see the nurse.

The following are vaccine recommendations for 11 and 12 year olds (AICP federal advisory):

- * *MENINGOCOCCAL VACCINE: protects against meningitis & other related infection
- * * * * *TETANUS BOOSTER (Tdap): protects against tetanus, diphtheria & whooping cough (state requirement for 7th grade entry)
- * *HUMAN PAPILLOMAVIRUS Vaccine (HPV) 3 dose series that helps protect girls & boys against the types of HPV that most commonly cause cervical cancer.
- * *SECOND DOSE OF CHICKEN POX VACCINE (if your child hasn't had the chicken pox disease)
- * *REGULAR SEASONAL FLU AND H1N1 VACCINE to protect from influenza and its complications

Please note that the meningococcal vaccine is recommended for ages 11 to 18 years, college freshman who will be living in dormitories and for those with certain medical conditions.

You and your child can check out the interactive website for teens/preteens: WWW.MyBestShot.com

Healthy Ideas Continued

Healthy Ideas from your School Nurse

Maintaining a healthy weight: What families can do:

Obesity can lead to various health issues. Diabetes, high blood pressure, stress on the heart and joints are some of the health problems seen in many overweight children today. The following steps are suggestions on ways to help your child stay at a healthy weight.

The following suggested interventions are adapted from the Coalition on Children and Weight San Diego: Love and accept your child. Give love attention, praise, support and respect. Comfort your child with love not food. Encourage your child to talk about their feelings and plan to talk to your child every day.

Enjoy regular meals as a family. Sit together and use the time to share happy events with each other. Try to make meal times fun and include the whole family in planning, preparation, and clean up of a healthy home-made meal. Listen to your body and eat when hungry, stop when full. Serve smaller portions and let your child ask for more. When eating at a restaurant, choose meals carefully. Drink milk (reduced fat or non-fat, whole milk should only be served to children less than 2 years of age), juice or water instead of soda. Tap water is safe and is calorie free. Choose baked or broiled meats instead of fried. Share dessert or larger combo meals.

Offer healthy foods, snacks and beverages. Growing children need three meals and 2-3 snacks per day. Pre-portion your child's snacks to grab on the go. Save money by planning ahead for shopping by making a list of items that are healthy food choices. Cut up fruits and vegetables ahead for quick snacks. Make sure to eat five servings of fruits or vegetables per day. Save ice cream, cookies or candy for special times.

Find ways to get the whole family moving. Plan exercise or active play each day-move at least 60 minutes daily. Plan fun family activities. Go to parks, recreation centers, and playgrounds. Play with balls, Frisbees, jump ropes, and kites. Be active; walk, run, cycle, or hike. Take a walk after mealtime. Encourage your child to join sports teams, to play at recess, to walk to school or bus. Limit TV watching and video games to 1-2 hours a day. Always keep in mind safety-wear a helmet when cycling or skating, sunscreen when out in the sun, practice safe pool behaviors, and follow all traffic laws when riding a bike on the street. Be a good example to your children by observing traffic laws, avoiding cigarette smoking, and being active yourself.

Balance rest and activity. Teens need more sleep time than adults need especially during growth spurts. Avoid big shifts in sleep routines during weekends, school breaks, and school hours.

For further information, feel free to call our nurse, Christine Richter RN at 858-822-2291

NOTES FROM THE VICE-PRINCIPAL

Mr. Pete Selleck

It has been another great year at The Preuss School UCSD. 100% of our senior class has been accepted at a four-year university. It has been a difficult journey for them, but all the hard work has paid off. We have established a great school culture to promote success. This success is not an accident. Our school works well because of the partnership between parents and school staff. Please reinforce the following to support the success of your child.

Attendance

Student attendance is a critical piece of our success. Students do not benefit from the outstanding instruction if they are not here. The learning time in school is lost. Make medical and dental appointments on Friday mornings, after school, or other times that do not conflict with classes. Never take students out of school for vacations. Remember the first day of school will be **Monday, August 13, 2018.**

Electronic Devices

Cell phones have been a problem on campus. Please remind students about the importance of having all electronic devices turned off and out of sight during the school day.

Dress Code

The dress code is an important feature of our school culture. Insist that your students know and follow the regulations.

Cyberbullying

If your son or daughter is experiencing cyberbullying, take the following steps:

1. **Don't Reply to Cyberbullying**— Instruct your teen not to reply
2. **Identify the Evidence**—Do not destroy it. It may be helpful to identify the perpetrator and may be requested by law enforcement.
3. **Block future Cyberbullying Attempts**—Using the blocking features of email or cell phone.
4. **Try to identify the Perpetrator**—Ask your teen if they know who it is
5. **Contact the Parents/Guardians of the Perpetrator**—Consider the feasibility of involving the parents of the perpetrator. Parents often react defensively to negative reports about their child, but they may be strong advocates to stop their own child's behavior. Consider including the evidence in the communication.
6. **Contact Your Service Provider**—File a complaint with Internet or Cell Phone service providers.
7. **Consider if Criminal Behavior has Occurred**—Contact law enforcement if threats of violence, hate speech, harassment, or inappropriate sexual content is involved.
8. **Get Legal Advice:** In serious cases seek out the advice of an attorney
9. **Notify your Teen's School**—Inform a School Administrator or Counselor of the problem; they can take note of manifestations of bullying at school.

Remember the first day of school will be **Monday, August 13, 2018.**

Parent News

By Sandra Gutierrez, Volunteer Programs Coordinator

Parent Participation

A big thank you to our PTA for sponsoring the Dinner and Dance on April 21st. A special thanks to Aimee Leal for coordinating this special fundraiser. Thank you to Mr. & Mrs. Puente for donating a wonderful dinner. Thank you to Mr. Morales, our DJ this year.

Girls Academy

Sponsored by Kappa Kappa Gamma

Kappa Kappa Gamma is a Sorority on The UCSD Campus that holds a leadership retreat for middle school girls on The Preuss School Campus. There are small group discussions, journaling and reflection, and a community service project.

The local chapter collegiate women are trained and supervised by volunteer Kappa alumnae, and serve as role models and small-group facilitators for this program. Students learn leadership concepts, evaluate personal leadership styles, and explore how values affect behavior in a group and as a leader. This overnight event is free and sponsored by the Kappa Kappa Gamma Sorority. Forty-eight middle school girls participated in the event this school year. A post-evaluation was provided to parents and it's an essential piece to provide continued support and create retreats such as the Girls Academy to all girls. A shout out goes to all the girls that took the opportunity to participate and enrich their lives by participating in this retreat.

Mentor Appreciation Event

Thursday, May 31, 2018 | 4:00pm-5:30pm

Mentors are caring members of the community that volunteer their time to guide a student with their personal and academic goals. We hold an annual appreciation event to thank them for their time. Seniors have the opportunity to say goodbye to their mentor during the event. Dinner, music, certificates, and prizes take place. Parents, if your student has a mentor and you want to volunteer to decorate, serve dinner, or send a thank you card please contact Ms. Gutierrez at 858-822-0020 or preussvolunteer@ucsd.edu.

Studio Static

A Note from the Fine Arts Department
By Tamima M. Noorzay

Studio students have been exploring ceramics both as utilitarian and aesthetic objects. Currently they are highlighting the ecological disaster of coral bleaching due to rising ocean temperatures and marine pollution by creating miniature coral reefs. Using art as activism is one of the modern and contemporary themes of art and students see how art can be used as an educational tool to help protect our fragile marine biome.

The Art Olympics will begin on May 21 and run through June 19 and voting for teams will take place from June 19th-21st via Instagram @preussstudistatic. We are also excited to announce a collaboration with the theater classes to bring studio student artwork together with "We Jazz June". On display for the evening of June 8, 2018, will be Harlem Renaissance chalk art and large scale acrylic portraits celebrating cultural heroes from the 1900-1930s. These artworks will be group projects and on display for one day only! As we finish the school year, we commend students in AP Studio Art for turning in their portfolios and AP Art History students for completing their AP testing.

If you find yourself on the UCSD campus, our Shakespeare posters and mannequin heads are on display at the Price Center Theater Gallery. In addition, The Conrad, 7600 Fay Avenue, La Jolla, is hosting artwork from local schools including Preuss. The banners on the construction wall features artwork with music references. We also have a strong showing of student artwork at the 2018 Del Mar Fair, which opens on June 1 and runs through July 4, 2018. We are excited to have our student's creativity on display within the context of the larger community!

COMING ATTRACTIONS: "WE JAZZ JUNE". On Friday night, June 8, starting at 7:30, the drama department will celebrate the music, poetry, and artistic life of the 1920's Harlem Renaissance. Please join us under the stars in the amphitheater for the performance. Special art and chalk art installations will also be available for viewing.

SUMMER SCHOOL PROGRAM 2018

The Preuss School will be offering summer school through an online credit recovery system called APEX and it will be held on **June 27, 28, 29 and July 2, 3, 5, 6, 9, 10, 11, 12**. Students will have the opportunity to “make up” courses in which they have earned a D or F in one or more semesters. The following courses will be offered this summer: Western Civilization, European History, United States History, and Advanced English 9, 10, 11.

Students who are required to attend summer school have already been notified. Parents should expect to receive a summer school contract which needs to be signed and returned to the school.

Here are some important facts about the Summer School program:

- ◇ Summer School is **June 27, 28, 29 and July 2, 3, 5, 6, 9, 10, 11, 12**
- ◇ A majority of the online work must be completed at home
- ◇ Students must provide their own transportation or pay a total of **\$20** for bus transportation.
- ◇ Students will be in school for 6 1/2 hours (**9 a.m.-3:30 p.m.**).
- ◇ Breakfast and lunch will be provided each day.
- ◇ Students must wear their Preuss polo but can wear jeans or other appropriate pants/shorts/skirts (bottom hem should reach the knee)
- ◇ Failure to complete summer school will make the student ineligible to complete the A-G requirements for admission to UC or CSU

Student Award Ceremonies in June

Preuss students have worked arduously this year and we would like to celebrate their accomplishments with an Award Ceremony. Students will be recognized for Honor Roll, Academic Department Awards, scholarships and other special awards received throughout the school year. Please note that most awards are self reported. If your student has received a special award, please notify his/her counselor. Award Ceremony attendance is by invitation only. Please remember that paid parking permits are required to park in any UC San Diego Parking Lot (including the Preuss parking lot).

Middle School Awards Program:

Monday June 11th from 2:30pm-4:00pm

High School Awards Program:

Tuesday June 12th from 12:45pm-2:20pm

Senior Awards Program:

Wednesday June 20th from 6:30pm-8:30pm

All award programs take place in the Walton Center.

NEWS ABOUT THE Z PASS CARDS

END OF YEAR TRANSPORTATION ID CARD PROCEDURES

Transportation Student ID Z Pass Cards have been issued to all Preuss students receiving transportation services and they will continue to use their existing ID card from year to year while attending Preuss school. For students that were not issued a card or need a replacement please contact Mrs. Villanueva. New and replacement cards will be generated through the end of May. This ID card will only be used for transportation services; your student will continue to use their current student ID for all school activities.

Please, review the following:

- ◆ **The San Diego Unified School District Transportation Department will continue enforcing the use of the Z Pass until June 15.**
- ◆ **Students must return their Z pass Cards to their School Advisory Teacher or the main office no later than Friday, June 22.**
- ◆ **We would like to have all the Z Pass Cards collected and returned to Transportation by June 25, 2018.**
- ◆ **Notify the school immediately if Card is lost or stolen.**
- ◆ **Z Pass ID Cards will be returned to students when we come back to school in August.**

Parents should encourage their students to take care of their Transportation Student ID Card as they will function for many years and should not need to be replaced.

For further information, please contact Mrs. Villanueva at 858-822-0311 or if you have a new address and your child may need a different bus route.

Make sure to purchase your yearbook! Don't miss out on all the fun when the yearbooks arrive! This year our staff has worked vigorously to make a great yearbook and capture memories about the events that occurred throughout the 2017-2018 school year. To purchase your yearbook make sure to attend our pre-sales meetings, which are held every month during middle and high school lunch. Down payments are \$20. Please don't bring any bills greater than \$20. If you have any questions please feel free to contact the yearbook class at pensberg@ucsd.edu

Asegúrese de comprar su anuario! No se pierda de la diversión cuando lleguen los anuarios! Este año el personal de nuestra clase ha puesto mucho tiempo y esfuerzo para hacer un gran anuario y capturar memorias de los eventos que ocurrieron en el año escolar del 2017-2018. Para comprar su anuario, asegúrese de asistir las pre-ventas que pasan cada mes durante el almuerzo de ambos secundaria y preparatoria. El pago inicial puede ser de \$20. Por favor no traigan billetes más grandes de 20. Si quiere más información contacte a la clase del anuario a pensberg@ucsd.edu.
